Sub- Celebration of international Yoga Day 2021

Organised by Katwa College NSS Unit I, II, III

Total Attendance : 61

Our Katwa College NSS unit I, II, III organized a special lecture about International Yoga Day and Our honorable principal Dr Nirmalendu Sarkar had given his valuable speech about the importance of Yoga Day. Then our pre- scheduled resource person as a Yoga specialist Mr Probodh Bakshi had given his informative lecture and all participant gained their knowledge about different type of Yoga step. Yoga is an act that unites the body with the soul. It is a means through which we can attain inner peace. The great relaxing effect that yoga has on our minds has innumerable health benefits. It originated in ancient India during the Indus Valley civilization and has grown in popularity ever since. Originally, only the Hindu priests practiced the art of yoga, but later, even common people started practicing it for its health benefits. Yoga is something that is practiced, not learned. You need to perform certain Asana or poses that form the essence of yoga. It is believed that there is total of 84 asanas in yoga. But this number may vary. Many of the Asana has been lost from the Vedic scriptures, and the poses we know today are a minute fraction of it.

Sub – Blood Donation Camp

Organised by Katwa College NSS Unit I, II, III

Total Attendance 268

Our Katwa College NSS Unit I, II, III organised a Blood Donation Camp to cover arising crisis of Blood in the Katwa subdivision in the pandemic situation of Covid-19. We invited our beloved M.L.A. Rabindramath Chatterjee to inaugurate Blood Donation Camp and Our Principal of Katwa College Dr Nirmalendu Sarkar fully cooperated this programme and until end of this camp function. A blood donation is a procedure when individuals give blood to others to assist them with their ailments. Giving Blood is an actual existence sparing and philanthropic motion that shows solidarity with others and worries for their issues and languishing. There could be a few distinct purposes for an individual's prerequisite of blood. The requirement for blood could emerge because of a disease or a mishap. At all, the explanation could be; blood gift is the main achievable arrangement. Blood gift isn't just useful for the beneficiary yet, also helps the benefactor and the general public.
