## Report:

The 4 Year degree programme at the UG level as recommended in the National Education Policy 2020 was implemented from the 2023-24 session onwards. However, there are many doubts and queries about the implementation of this programme and how it will take shape. The Speakers who are experienced academic administrators spoke to the students and faculty regarding the implementation of this programme and the modalities regarding the same. The discussion was fruitful and outlined the way in which it will be implemented at the college level.

## Report:

Dharmaśāstra is a genre of Indian cultural texts, that refers to the code of conduct for an individual and code of law for the society. As the term suggests, it is a treatise of Dharma. Dharma according to Indian concept is the ethical way of life one must follow for the well-being of the creation. The *Dharmaśāstras* were composed either in the form of aphorisms or verses. The origin of *Dharmaśāstra* is rooted in the *Kalpasūtras* (*Dharmasūtras* in particular), one of the six *Vedāṅgas*. Later, *Manu*, *Yajnavalkya* and other sages prepared *Smṛtis* at various ages according to the need of the then society. The *Dharmaśāstra* texts preach the codes under three distinct categories—*Ācāra*, *Vyavahāra* and *Prāyaścitta*. Some of the *smṛtis* discuss the three categories while some discuss the codes partly. Interestingly, the *Vedas*, the *Purāṇas*, the *Rāmāyaṇa* and the *Mahābhārata* are the kernel of the *Dharmaśāstra*. The *Dharmasūtras* and the *smṛtis* have derived many ideas from these texts only. In a nutshell, the *Dharmaśāstra* is the basic guideline for all the facets of life in India from the ancient times.

The core idea of the seminar is to explore the deep-rooted link of *Dharmaśāstra* in the day-today individual, social, political life through the length and breadth of the land. It seems that the *Dharmaśāstra* can be the guide for the sustainable development goals for the mankind

Sr

This is to inform you that OASIS scholarship for the session 2023-2024 has already been stated and you are well aware of that. But the number of the students who has applied for that scholarship is very poor according to the Disc report.

A special camp is organised on 25.01.2024 at your college at 11.30 A.M.

You are requested to arrange logistic support for the above mentioned purpose.

Students are requested to carry their relevant documents for making application.

With due regards!

Yours faithfully,
