Sub Celebration International Yoga Day

Organized By NSS Units 1, 2, 3 of Katwa college

Report Our Katwa College NSS unit I, II, III organized a special lecture about International Yoga Day on 21-06-2024 and Our honorable principal Dr Nirmalendu Sarkar had given his valuable speech about the importance of Yoga Day and all participant gained their knowledge about different type of Yoga step. Yoga is an act that unites the body with the soul. It is a means through which we can attain inner peace. The great relaxing effect that yoga has on our minds has innumerable health benefits. It originated in ancient India during the Indus Valley civilization and has grown in popularity ever since. Originally, only the Hindu priests practiced the art of yoga, but later, even common people started practicing it for its health benefits. Yoga is something that is practiced, not learned. You need to perform certain Asana or poses that form the essence of yoga. It is believed that there is total of 84 asanas in yoga. But this number may vary. Many of the Asana has been lost from the Vedic scriptures, and the poses we know today are a minute fraction of it.

Sub Netaji's Birthday Celebration  
Organized By Katwa College NSS Unit I, II, III

Report Our Katwa College NSS unit I, II, III successfully celebrated Netaji's birthday through parade, flag hoisting, morning ferry, lecture and various cultural activities. Our honorable principal DrNirmalendu Sarkar had given his valuable speech after flag hoisted and he explained the importance of Netaji and his movement for our country. Other Professor of our college had given lecture about this day and future India Subhash Chandra Bose is one of India's most famous and most independent freedom fighters. Subhash Chandra Bose was so passionate about India's independence that he joined hands with Germany's government in World War II and with the help of Germans, he spread a word in India that freedom is very close, and all against the British Must get to fight. He was born on 23 January 1897 in Cuttack, and was deeply impressed by the teachings of Swami Vivekananda. They came to know that religion is more important than their studies and soon they become nationalists in opposition to various problems that apply to Indians. Bose planned that according to which he wanted the youth of India to move forward and participate in the freedom struggle, he was successful in his plan because a large number of people used to join hands with him for the freedom struggle. He started a newspaper called Swaraj and started printing a lot against the British rule and the work being done by him. People became more aware and started supporting Subhash Chandra for those tasks which he was doing. He was known as a great leader, and this is why he managed to manage a great youth army easily. He was brave to fight with a powerful British army, and it is worth noting that Subhash Chandra Bose had a great hand in India's freedom fight. The people of India know that NetajiSubhash Chandra Bose had done a lot for him, but in fact his deeds were so important, nobody is aware of it. He was the gem of personality and India never saw any personality like him after his death.

Organised by Katwa College NSS Unit I, II, III

Total Attendance:

Our Katwa College NSS unit I, II, III organized an awareness program for Red ribbon club through a Rally and Speech. Our honorable principal Dr Nirmalendu Sarkar inaugurated this program with his valuable speech and he explained the importance of Red Ribbon Club Program. Red Ribbon Club is a movement to create and raise awareness about HIV/AIDS through service and, education and events. Its aim is to equip the youth with correct information on HIV/AIDS Prevention, care and support and treatment. It intends to build their capacities as peer educators in spreading messages on positive health behavior and increasing voluntary blood donation from among youth. Red Ribbon Club members are not bound to perform a set of duties or functions. However they are expected to learn facts about HIV/AIDS, services available from testing to treatment, attend life skill development programs, share the knowledge with peers, and carry out educational campaign related to HIV/AIDS.
