**Extract of the Governing Body meeting of Katwa College held on 13.12.2022 (Tuesday) at 12 noon at the Meeting Room of the Principal's Office**

**Item No. 18:** (d) The Principal places the AMC with Niva Infotech, Katwa for the CCTVs for the period from 01.01.2023 to 31.12.2023 for discussion. The GB after considering the AMC papers unanimously approves the proposal and approves the fund of Rs 86,000/-. It is further resolved that Niva Infotech be paid the entire amount in two equal instalment.

(f) The Principal informs that the Agency entrusted with the existing PayU payment gateway has been charging additional processing fees against each monetary transaction (Rs 25-Rs 50/-per transaction) and this will toll extra financial burden on the learners. To get out of this unpleasant situation different Banks have been consulted with by the Principal and two proposals have been received from the HDFC and ICICI Bank which may be profitable for the students in the sense that the said financial institution (HDFC /ICICI Bank) **will not take any additional charge or processing fees in some cases/a nominal charge for some other cases** from the students depending in the card category/mode of transaction. Based on this reporting, the GB resolves that the College may open two separate accounts with HDFC/ICICI Bank for monetary transaction with the help of PayU payment gateway by the students. The two accounts will be for Day and Morning Sections with the existing authorized signatories. The Principal is advised to select one in this regard among the two which one is preferable.

(g) It is resolved that the Zero Balance Current Account i.e. Central Nodal Account(CNA) will be opened in the State Bank in the name of Katwa College NSS Unit-I be operated jointly by Nirmalendu Sarkar as Principal/Secretary and Md. Sariful Islam, Programme Officer of the Katwa College NSS Unit-I.

Resolution taken in the Governing Body meeting of Katwa College held on 02.03.2023 (Tuesday) at 12 noon at the Meeting Room of the Principal's Office

**Item No. 16:** The Principal intimates the GB that branching of KOHA software facilities from Day library to Morning and B.Ed libraries is more economical than to subscribe separately for the last two. Whereas the branching requires Rs. 20,000/- [Rs 10,000/- for Morning Library + Rs. 10,000/- for B.Ed. Library] (Rupees twenty thousand) only but separate KOHA installation has been estimated to be Rs. 1,00,000/- (Rupees one lakh) for each branch [Ref. Library Committee resolution]. The GB approves his proposal and instructs him to take necessary action for connecting the three libraries with KOHA. It is further resolved that Rs. 10,000 be paid from Morning Section and the balance Rs 10,000/- be paid from B.Ed. Section for this purpose.
