#### SCOPE

These 'Book Banks' are to be set up in all the Medical, Engineering, Agriculture, Law and Veterinary Degree Colleges and Institutes imparting Chartered Accountancy, MBA and alike Management Courses and Polytechnics where Scheduled Tribe students receiving Post Matric Scholarship under the Centrally Sponsored Scheme of Post Matric Scholarship to Scheduled Tribes for studies in India belonging to the parent state or from other state, are studying. The State Government may constitute an expert group consisting of members from selected colleges of different regions to decide the adequate number of text books in a set (not reference books) required for each course. Thereafter estimate may be worked out keeping in view the price of cheap Indian editions. The State Government may

15

At the end of 3 years these books may be kept in the library of the concerned institution for loan to other ST students until such time as the books remain relevant and serviceable. Thereafter the books may be disposed off by the institution in the same manner as the books in the library subject to the guidelines, if any, of the State Government/UT Administration in this regard. Generation and nurturing of a human talent pool capable of utilizing and developing first principles in science is both a pre-condition and integral part of such an innovation infrastructure. An India specific model for attracting talent with an aptitude for research and innovation, for a career in Basic & Natural sciences is required. Department of Science & Technology (DST) has developed an innovative programme named **Innovation in Science Pursuit for Inspired Research (INSPIRE)** to attract talent to the excitement and study of science at an early age, and to help the country build the required critical resource pool for strengthening and expanding the SAT system and R&D base with a long term foresight.

Government of India has approved the INSPIRE Scheme in November 2008 at a total cost of about Rs 1979.25 crores in the 11th Plan Period and Honourable Prime Minister launched the programme on 13th December 2008. The programme is continuing in the 12th Plan period at a budgetary allocation of Rs. 2200 crores.

INSPIRE has three components:  
(i) Scheme for Early Attraction of Talent (SEATS), (ii) Scholarship for Higher Education (SHE) and (iii) Assured Opportunity for Research Careers (AORC); the component wise details can be found here: [https://online.inspire.gov.in/content/INSPIRE\\_Brochure.pdf](https://online.inspire.gov.in/content/INSPIRE_Brochure.pdf)
