Subject: Request to deliver lectures on "Guidance to Competitive Examination"

Dear Sir,

I would like to inform you that the students enrolment in our college is more than seven thousand and a large number of students are first generation learners and also from reserved categories. They know very little about different government jobs. Hence, career counselling from your end will be very much helpful for our college students. Now, I have the honour to inform you that Katwa College Career Counselling Cell is going to organize a "Guidance to Competitive Examination" to create awareness among the students about the career options in government from 7th Dec, 8th Dec, 14th Dec and 15th Dec 2019. We are waiting for your kind consent as a speaker for those days only.

Thanking you. With best,

Dear Sir,

Subject: Request to deliver lectures on "Guidance to Competitive Examination"
Dear Sir,

I would like to inform you that the students enrolment in our college is more than seven thousand and a large number of students are first generation learners and also from reserved categories. They know very little about different government jobs. Hence, career counselling from your end will be very much helpful for our college students. Now, I have the honour to inform you that Katwa College Career Counselling Cell is going to organize a "Guidance to Competitive Examination" to create awareness among the students about the career options in government from 11th Dec and 12th Dec 2021 . We are waiting for your kind consent as a speaker for those days only.

Thanking you. With best,

Dear Madam,

I would like to inform you that the students enrolment in our college is more than seven thousand and a large number of students are first generation learners and also from reserved categories. Now, I have the honour to inform you that Katwa College Career Counselling Cell is going to organize a "Guidance to Competitive Examination" to create awareness among the students about the career options in government from 12th Mar, 13th mar and 26th Mar 2022. We are waiting for your kind consent as a speaker for those days only.

Subject: Request to deliver lectures on "Career Counselling and Career Opportunities in various Field".

Dear Sir,

I would like to inform you that the students enrolment in our college is more than seven thousand and a large number of students are first generation learners and also from reserved categories. They know very little about different government jobs and also job prospect in private sectors. Hence career counselling from your end will be very much helpful for our college students.

Now, I have the honour to inform you that Katwa College Career Counselling Cell is going to organize a "Competitive Examinations Guidance for Placement Opportunity" to create awareness among the students about the career options in Government as well as in Corporate Sector on and from 04.05.2024 to 06.05.2024. We are waiting for your kind consent as a speaker for those days only.

Thanking you. With best,
