1. About the college

The College accommodates thousands of first-generation learners from the economically backward section of the rural/ semi-rural population. The College tries to attract students from the minority community as far as possible. The College endeavours to inculcate communal harmony among the learners. The College achieved the status of an undergraduate College in 1959. The main campus comprises the Main Building, Science Building, B.Ed. Building, Boys' Common Room, Girls' Common Room, Canteen, Administrative Building and a Post Office. The second campus holds the Girls' Hostel, Principal's Quarter and Teaching Staff quarters. On the third campus stands the Boys' Hostel. The Sports Ground of the College forms the fourth campus of the College.

At the outset, the College was affiliated to Calcutta University until Burdwan University was established on 16th June 1960. The College was included into 2(f) and 12(b) categories under UGC Act 1956 in the year 1959. The College enjoys Grant-in-Aid financial status under the Government of West Bengal.

The College sporadically suffered from an acute staff shortage, both of teaching and non-teaching staff. The College has tried to address the crisis by employing Govt.-Approved Part-timers and Contractual lecturers and also by recruiting temporary teachers as and when required.

2. Vision & Mission

MISSION

The mission of college is 'Advancement of Learning'- the method followed to achieve the supreme good for oneself. Here in this college, the goal is to serve the students, mostly as they are, coming from economically, socially, and educationally constrained circumstances by providing them quality education by:

(i) Exposing young minds to advanced scientific topics and imparting hands-on training with sophisticated

analytical instruments.

- (ii) To establish the college as a potential centre of research activities thus creating a strong tradition of deep-rooted academic culture and an ambience that favours the scholarly activities of the faculty.
- (iii) Imparting a character-building education by a balanced development of the body (physical) and soul (spiritual) so that the students may turn out to be wise citizens able to shoulder the responsibility of the Nation.
- (iv) Developing a culture of labour and service, focus and perseverance, simple living and high thinking is transmitted to the students who are the future of the nation.

VISION

The vision of the College gradually changed with time, especially with spreading literacy mission all over West Bengal. The College tries to attract students from the minority community as far as possible. This is more important in the case of girls from the minority, who are admitted to the Morning section of the College which exclusively serves girls. The College endeavours to inculcate communal harmony among the learners by convening Saraswati puja as well as observing Navi Diwas.

The College adopts an inclusive approach through expanding the scope of education to farther areas beyond the immediate rural belt surrounding the townships. Thus the College ventured to accommodate students from as many as the four districts, to acknowledge the collective aspiration of the prospective students from this rural belt for social identity. Simultaneously the College allows special assistance to the SC/ST and minority students. The rise in the numbers of the first generation learners became a salient feature in the rural belt mentioned earlier. This resulted in continual rise in the intake of students in the College. The College was doing its best to cater higher education to this increasing mass of aspiring students.

PHILOSOPHY

The **Philosophy** of the Institution is to encourage collaborative management among the various stakeholders like students, teaching & non-teaching staff, alumni and guardians of the students. Therefore, representatives from all these sections are incorporated at different levels of management of the College.

At the apex of management is the Governing Body of which three teaching and two non-teaching staff are members. The Principal is the Secretary of the Governing Body and President of the Teachers' Council (of which all permanent teachers are members) and thus he acts as a liaison

EMERGENT TC MEETING
RESOLUTION

DATE: 11/10/2023

At the very beginning of the meeting, Principal Dr. Nirmalendu Sarkar distributed the fixation memo copy of the first CAS promotion of our teachers of different departments. Further in today's meeting discussion was held about organising an annual picnic before the Durga puja vacation. Prof. Utpal Das proposed that the SACT teachers should also be a part of this picnic.

With regard to the expenditure to be incurred to organise the aforesaid picnic, a debate was held whether SACT teachers should pay for the same and after much deliberation it was decided that they should be exempted from paying for the picnic. Further, a unanimous decision was taken to invite all ex- teachers to participate in the picnic without any financial contribution.

Lastly, it was decided that all faculty members including the SACT teachers will drink tea in the staffroom as before.

	<p style="text-align: center;">EMERGENT TC MEETING RESOLUTION</p> <p style="text-align: right;">DATE: 18/04/2024</p> <p>In today's meeting discussion was held about the internal assessment of Sem. I, IV & VI. The Principal affirmed that the given routine was <i>a priori</i> discussed by examination committee before finalisation. Dr. Goutam Nandi enquired about the necessity of conducting a centralized internal exam as it was much feasible to conduct the same internally by each department. Prof. Jaharal Mazumdar addressing his question explained that excess students of Sem I compelled them to take such a decision. Further, Dr. Arkaparitim Changdar gave his opinion that the question paper can be set department wise for the internal assessment, the moment they have completed their minimum syllabus of that semester. Dr. Anup Polley welcomed this proposal but Prof. Syed Abul Kader did not agree with them. Following it, Prof. Dulal Sarkar countered the latter and agreed with his colleagues Dr. Polley & Dr. Changdar regarding the proposal as it can greatly facilitate the exam process. TC Secretary who is also in-charge of Sem- I examination explained in detail the reason behind the decision to organise the centralized internal examination. At the end of the meeting a decision was taken that only Sem- I exam will be conducted in the centralized mode. And Sem- IV & VI internal assessment will continue as per the previous mode.</p> <p style="text-align: center;"><i>(Dr. Nirmalendu Sarkar)</i> Principal Katwa College Principal Katwa College 18/04/2024</p> <p style="text-align: center;"><i>Md Sariful Islam</i> 18.04.24 (Md Sariful Islam) TC Secretary Katwa College Secretary Teachers' Council Katwa College</p>

.....

Dharmaśāstra is a genre of Indian cultural texts, that refers to the code of conduct for an individual and code of law for the society. As the term suggests, it is a treatise of *Dharma*. *Dharma* according to Indian concept is the ethical way of life one must follow for the well-being of the creation. The *Dharmaśāstras* were composed either in the form of aphorisms or verses. The origin of *Dharmaśāstra* is rooted in the *Kalpasūtras* (*Dharmaśūtras* in particular), one of the six *Vedāngas*. Later, *Manu*, *Yajñavalkya* and other sages prepared *Smṛtis* at various ages according to the need of the then society. The *Dharmaśāstra* texts preach the codes under three distinct categories—*Ācāra*, *Vyavahāra* and *Prāyaścitta*. Some of the *smṛtis* discuss the three categories while some discuss the codes partly. Interestingly, the *Vedas*, the *Purāṇas*, the *Rāmāyana* and the *Mahābhārata* are the kernel of the *Dharmaśāstra*. The *Dharmaśūtras* and the *smṛtis* have derived many ideas from these texts only. In a nutshell, the *Dharmaśāstra* is the basic guideline for all the facets of life in India from the ancient times.

The core idea of the book is to explore the deep-rooted link of *Dharmaśāstra* in the day-to-day individual, social, political life through the length and breadth of the land. It seems that the *Dharmaśāstra* can be the guide for the sustainable development goals for the mankind.

Subject: Permission for the start of The Literary Society, Department of English

Respected Sir,

Literary criticism and study of literature demands an exercise that extends beyond classroom delivery of the syllabus contents. This calls for dealing with texts and ideas that demand contents and activities that should therefore complement the curriculum and also go beyond it.

Therefore, I have, after discussing with the esteemed colleagues of my department come up with the idea of forming a literary society. The society will, with students, design and organise various literary activities throughout the year. Activities like Literary Debate, Quiz, Extempore, Drama Book reading and discussion sessions and poster presentations will inculcate a vision of critical thinking and expression amongst students. The team work will also promote integrity and harmony among students who hail from diverse backgrounds.

The society would also require certificates that would be given away as acknowledgement for literary competitions that would be held and at times the Auditorium and the ICT room could be used for the same. The Logo of the society and the Facebook page for the same will be designed by the student members of the society after which the design would be handed over to the college for printing of the certificates.

I shall be obliged if permission for the successful operation of the activities of the society is granted.

Thank you.

Yours sincerely

B. DOCUMENTATION

1. Copy of Activity / Written Record :
All the departmental faculties, laboratory attendant and students enthusiastically participated in the observation of Nadi Utsav. All most 100 students were present on the day. The event of Sandhya Arati was beautifully performed by the students of Bengali and Sanskrit departments. The competitions held were very well organized and students participated there in full confidence. Though, enough number of feedbacks could not be gathered due to shortage of time in the last phase.

3. Rationale or need of the event/ activity:
With the degrading condition of different rivers of India it is very important to observe "Nadi Utsav", so that the present generation can understand the sustainable use of river water resource. The special lectures and students' participation in different competitions will increase the knowledge and confidence of the students. They will not only learn about rivers but will feel the need of saving rivers.

4. Perception of the organizers:
The overall arrangement of the event was very good. The lectures were very informative and relevant in present scenario of Jalangi River. The competitions were very important as they motivated the students and boosted up their confidence level. The performance of student in Sandhya Arati of River Jalangi was really commendable.

Notice

We are pleased to announce a "Nature Awareness Camp" is scheduled to take place at Katwa College on March 20, 2024, starting at 9:00 AM. The primary agenda of the camp includes cleanliness drive around the campus and surrounding area, advocating for the ban on single-use plastic and declaring our campus as 'single use plastic-free zone'.

We invite all students and faculty members to actively participate in this initiative towards creating a more sustainable and eco-friendlier environment. Let's come together to make a positive impact on our surroundings and pave the way for a greener future. Organised by Katwa college Nature club in association with IQAC, NCC, NSS, Boys & Girls hostel, Department of Geography, Botany, Zoology and Physiology.

Salient features of your Ph.D. research work	Institutional borrowers often use or divert productive credit for unproductive purposes to meet up their necessary consumption requirements, social obligations, and non-farm activities. Our research uses NSS 59th and NSS 70th round survey data and shows that urban, educated and formally employed population are significantly more likely to borrow institutional credit for non-production purposes in India. Using primary rural household sample survey data from the four villages from two districts, North 24-Parganas and South 24-Parganas of West Bengal, our research shows that political participation and financial literacy plays a major role in the probability among the borrowers.

রেজল্যুশন / RESOLUTION ADOPTED

Chairperson: Dr. Nirmalendu Sarkar

Decisions taken:

1) After a long discussion the members came to a decision that before implementation of NEP-2020 as per guideline by the UAC, first of all we should arrange a National Level Webinar on National Education Policy 2020 because we are all in the phase pandemic COVID-19 situations. For this, the committee advised the convenor of Seminar Committee to arrange a National level webinar on this topic at the earliest possible manner.
