Field work related syllabus of Geography

CC 11 (Practical) : RESEARCH METHODOLOGY AND FIELD WORK
Credit: 2 Total Marks: 20 {10+ 10(5+5)} End Term Examination Time: 2 hours

Pattern of Setting Questions:

- 2 questions to be answered, each question carries 5 Marks, Total 10 Marks;
- Evaluation of Field work: 5
- Viva-Voce 5 Marks

1. Students will prepare a field report based on primary data collected from field survey and secondary data collected from different sources for either a rural area (mouza) or an urban area (municipal ward) based on cadastral or municipal maps to study specific problems
2. The report should be typed in MS-Word in English language on A4 size paper in candidate's own words within 2500 words. The total number of pages in the Field Report should not exceed 25 pages including texts, figures, tables, photographs, maps, references (APA) and appendices
3. A copy of the bound report, duly signed by the concerned teacher, should be submitted
4. Preparation of maps (hand-drawn) with suitable scale and latitude and longitude
5. Preparation of charts/graphs in MS-Excel and duly labelled
6. The report should be typed in MS-Word. The font size is fixed at 12 in Times New Roman and the line spacing 1.5

Internal Assessment: 15 (Assessment 10 and Attendance 05) Marks

26

Educational tour of Botany Department (AJC Bose Botanical Garden & Central National Herbarium Museum

Excursion Report

The department of Botany, Katwa College arranged for an educational tour on 20.12.2022 with the venue AJC Bose botanical garden, Shibpur, Howrah. Three teachers and 34 students belonging to semester 1 (Hons) and Semester 3(Hons) of the department participated in that tour as chalked out ere in consultation with the others in the department. Early in the morning of the appointed day we set out for our venue with a joyful mood by train. After reaching Howrah station we went to the venue by bus on route. We entered into our much coveted garden to have by ourselves as well as to make our students familiar with knowledge about the various plants' species (flora and fauna). AJC Bose botanical garden is a unique and unparallel place to provide all ranks of learners in Botany with the various knowledge about the subject within a single place and in a very short space of time.

We also visited the Central national herbarium museum there to have the knowledge and information about herbaria. We observed countless herbarium sheets of a numerous plant families to have some direct knowledge. We also attended one class lecture as arranged by the CNH authority on our request. Here we had had the knowledge about the function of herbarium for our learners glowing with the prospect in the discipline of Botany.

That is all about our experience of that excursion in a very nutshell. At the end of the day we returned back home with the very happy memories that made some of us think that we have achieved something memorable today.

Educational tour to the Amkhai Fossil Park, Illambazar West Bengal on January 25, 2024

The educational visit organized by the Department of Geography, Katwa College was held at Amkhai Fossil Park, Illambazar on January 25, 2024, with the departmental faculties, staff, and beloved students. A total 70 students were joined in this trip with full enjoyment, enthusiasm, and overwhelm. This park is a renowned place in Birbhum district consisting of the transported paleo wooden fossils well-organized by the Department of Forest, Government of West Bengal. An additional visit to the nearby picnic spot, *haat*, jungle of planted trees, and lateritic tracts made the conjugated efforts of the department successful.

Major Outcomes:

1. The students and teachers comprehended the wooden fossils reserved in this place and also the lateritic tract of the Illambazar site of Birbhum district.
2. The departmental community was able to perform an integrated educational visit programmne sustainably.
3. Especially the students were enriched by the empirical knowledge from their classroom activities that enhanced their ability to build up a linkage between syllabic study and field expertise.

Overall Report- The international webinar entitled “*One Day International Webinar on Emerging Disaster Issues: Causes & Consequences*” was organized by dept. of Geography in collaboration with IQAC, Katwa College on 27th August. The webinar was conducted from college premises and hosted by Madhumita Sen, HoD of Geography dept. This webinar was arranged in Google Meet platform and it was also live streaming in YouTube. Topic of the webinar was very relevant in the present pandemic situation as it includes both natural and social disasters like Corona Virus. That’s why lots of students & faculties of various disciplines from many states of India as well as from Bangladesh, Nepal, Philippines, Egypt, Hongkong & Malaysia had participated in this webinar. 100 participants were in Google meet platform & rest of the participant join in YouTube. Webinar starts with inaugural speech of honorable principal sir, Dr. Nirmalendu Sarkar. Then Madhumita Sen, Assistant Professor and HoD of the concerned dept have introduced the speaker Prof. Malay Mukhopadhyay to deliver his lecture. Due to technical fault second resource person could not deliver his lecture. Many questions were asked by the participants in the interaction session, but due to time shortage only few of them were answered by the resource person. At the end of the session our IQAC coordinator Utpal Das gave his valuable valedictory speech. E-certificate was issued to those who filled-up feedback form. Participants were satisfied with the topics & deliberation. Most of them demand more webinar like this with extended time. In this pandemic situation online mode is very useful to invite speakers from different parts of the

PROGRAMME SCHEDULE

6.00 to 6.05 P.M. Welcome Address by Prof. Indrani Ray
6.05 to 6.15 P.M. : Inaugural Address by Dr. Nimolendu Sarkar
6.15 to 7.15 P.M. : Session 1, Dr. Chitrita Banerjee
7.15 to 8.15 P.M. : Session 2, Dr. Arpa Ghosh
8.15 to 8.30 P.M. : Interactive Session
8.30 to 8.35 P.M. : Vote of Thanks by Prof. Anindya Bandyopadhyay,
Head, Department of English

E - certificate will be provided after feeding us back after attending the Webinar

Resource Persons:
Dr. Arpa Ghosh, Associate Professor, Department of English, Vivekananda College for Women, Kolkata.
Dr. Chitrita Banerjee, Associate Professor, Department of Bengali, Sri Shikshayatan College, Kolkata.

Organized by:
Prof. Indrani Ray, Head, Department of English, Katwa College.
Prof. Anindya Bandyopadhyay, Head, Department of English, Katwa College.

The Department organised a One Day State Level Webinar titled **Tagore: A Humble Tribute**. The Webinar was held on **27th August 2020** from **6 pm onwards**.

The resource persons were

- Dr. Arpa Ghosh, Associate Professor, Department of English, Vivekananda College for Women.** She gave a presentation on "**Tagore Household and GhareBaire**". She elaborated on how the novel can be read based on the nexus between the individual vis a vis the nation and the blurred borders between the Home and the World.
- Dr. Chitrita Banerjee, Associate Professor, Department of Bengali, Sri Shikshayatan College.** She gave a presentation on "**রবীন্দ্রনাথের গোরা: কিছু ভাবনাচিন্তা**" ("**Rabindranather Gora: Kichu Bhabna Chinta**").

Gora has been a part of the UG CBCS syllabus in the paper on translation and her discussion helped the students to revisit the text from multiple dimensions to explore the consciousness of nation making and subject identity. Certificates of participation were given to the students and teachers who attended the event. The platform used was Google Meet and was streamed live on YouTube.

REPORT ON SPECIAL LECTURES SESSION 2023-24(English Department)

SPEAKER – DR BASABI PAL, DIRECTOR, INSTITUT DE CHANDERNAGORE, HEAD(RTRD.), DEPT OF FRENCH, CHANDERNAGORE GOVT. COLLEGE

An event on Albert Camus featured a special lecture on the Philosopher and Thinker by Dr Basabi Pal, Director of the Institute of Chandernagore. She oriented the students on the importance and position of the thinker during his times and his contribution to the modern society. was a French philosopher, author, dramatist, journalist, [world federalist](#), and political activist. Philosophically, Camus' views contributed to the rise of the philosophy known as [absurdism](#). Some consider Camus' work to show him to be an [existentialist](#), even though he himself firmly rejected the term throughout his lifetime. The lecture was followed by a panel discussion on Camus' work *The Outsider* by faculty of the Department, Prof Anindya Bandyopadhyay, Prof Indrani ray and Dr Swati Chatterjee from the Dept of History of the college.

The art posters of the event were prepared by an alumna of the department, Arka Dey. The students of the running semesters of the department and some from other departments attended the event and interacted too.

REPORT ON SPECIAL LECTURES SESSION 2021-22(English Department)

SPEAKER – JENNIFER
BRAINWARE

SHAHEEN HUSSAIN,
UNIVERSITY

A discussion on “Unmasking the Sexual Subalterns through film Adaptations” was organized by the Literary Society of the Department. The speaker referred to films like *Cobalt Blue* which is an Indian Hindi-language drama film written and directed by Sachin Kundalkar starring Prateik Babbar, Dr. Neelay Mehendale, and Anjali Sivaraman. It is adapted from the novel of the same name that follows the story of a brother and sister who fall in love with the same man and the ensuing events that shatter their traditional conservative family. Set in the 1990s, the movie examines the themes of loneliness, same-sex love, and the free spirit of transcending societal barriers.

The other film referred to was *Fire* which is a 1996 Indo-Canadian erotic romantic drama film written and directed by Deepa Mehta, starring Shabana Azmi and Nandita Das. It is the first instalment of Mehta's Elements trilogy; it is succeeded by *Earth* (1998) and *Water* (2005). The film is loosely based on Ismat Chughtai's 1942 story, "Lihaaf" ("The Quilt"). *Fire* is one of the first mainstream Bollywood films to explicitly show homosexual relations, and the first to feature a lesbian relationship. The relationship also juts into the institution of family as the relationship in question is between two sister-in laws of the same household.

REPORT OF SPECIAL LECTURE SERIES, SESSION 2020-21(English Department)

- The first special lecture on "The State of Nature and the Nature of the State": Reading Leviathan vis-a-vis Eighteenth Century for the undergraduate students of the Department of English, Katwa College was held on 19 th July 2020 from 11 a.m. onwards. The Resource person was Prof Amrit Sen from the Department of English, Visva Bharati University. Some Eighteenth-century texts have been prescribed as part of the UG CBCS syllabus. Keeping this in mind a critical orientation to the ideological exposure of the times was a necessity. The platform used was Google Meet and the lecture was streamed live on YouTube. Students of all the three semesters participated and interacted.
- The second lecture in the special lecture series was on "Tennessee Williams and his Vision of Time in The Glass Menagerie" for the Undergraduate students of the Department of English. The resource person was Dr. Tania Chakraverty, Dean of Students' Welfare, Diamond Harbour Women's University. Dr. Chakraverty worked as an Associate Professor in an Undergraduate College affiliated to University of Calcutta in the Department of English before joining the University. The lecture was held on 20 th July 2020 from 12 pm onwards. Her specialization is on American Literature and her research was an important insight for the students to approach the prescribed text mentioned in her area of address.
The platform used was Google Meet and was streamed live on YouTube.

2021 - 2022	College documentation and Mentor _ Mentee	115	08.06.2022

Topic: Azadi ka Amrit Mahotsav

Organised by: Katwa College IQAC and Azadi ka Amrit Mahotsav'' committee jointly

Date: 15.8.2021

Speaker: Rabi Ranjan Sen, Associate Professor in History

The official inauguration of the celebration of 75 Years of Independence, „Azadi ka Amrit Mahotsav'' in Katwa College was held on 15 August 2021. Hoisting of the National Flag was done on the College ground as well as roof top followed by singing of the National Anthem. A Cultural Programme along with a talk on the Independence movement was held in the College Auditorium. Students, teachers and non-teaching employees participated enthusiastically in the functions. The Principal hoisted the National Flag and also inaugurated the programme. Tributes to freedom fighters were paid and their role in bringing freedom for the country was underlined in a talk by Rabi Ranjan Sen, Associate Professor in History. Patriotic songs and musical performances by students of various departments were also conducted on the occasion.

Topic: Understanding and Optimizing Plasma for Gas Conversion by Optical Diagnostics

Organised by: Department of Physics Date: 26.11.2021

Speaker: - Dr. Abhyuday Chatterjee, Senior Researcher, University of Mons (Mons, Belgium)

Chatterjee started his presentation with the definition and explanation of plasma. Matter changes its state when energy is supplied to it, solid become liquid and liquids become gaseous. If even more energy is supplied to a gas, it is ionized and goes into the energy rich plasma state, the fourth state of matter. He also discussed about medical application of plasma technology. The ability to produce cold plasma at atmospheric pressure conditions was the basis for rapid growth of plasma related application areas in biomedicine. For medical applications two different types of cold plasma appear suitable: indirect (plasma jet) and direct (dielectric barrier discharge-DBD) plasma sources.

STUDENTS' CREDIT CARD SCHEME

In compliance with the order of the Commission to the Government of West Bengal, Department of Higher Educational & State Nodal officer (WBSSC Scheme) Memo No, 400- EH/RUSA 59/21 dated 14th December, 2021] the Awareness Camp on Student Credit Card Scheme is held today (Monday) Le.20.12.2021 at 01:00 P. M. at Katwa College Auditorium Hall with the consent and active pressure of the Morning in-Charge cum Head of the Department of Commerce Dr. Arun Kumar Patra, Nodal Officer Dr. Bharat Chandra Dalui, Help Desk Officer Sadananda Halder and other teachers. The programme was conducted by Nodal Officer and Help Desk Officer. About 200 hundred Students attended in the Camp

Display of banner in conspicuous places in college campus and banner is hung on the background of stage of Auditorium Hall of our College. Hand bills/leaflets are also distributed among the students and making them aware about the process. Notice of Students Credit Card is uploaded in the College website and Katwa College admin'

Facebook group on 17.12.2021.

Almost all the students want to pursue higher education but due to poor financial conditions there are many students who are not able to fulfill their dream of getting higher education. In order to ensure the availability of higher education among all the students, the Government, CM Mamata Banerjee launches various kinds of Schemes. Today we are having told the students about the West Bengal Student Credit Card Scheme. Through this scheme, Students will be provided loans for higher education. The maximum limit of this loan is Rs 10 lakh at simple interest of 4% per annum. This interest rate will be further 1% reduced if repayment is done within the study period.

By discussing the important information regarding this scheme like what is the West Bengal Student Credit Card? The objectives of the Student Credit Card, Purpose of the Student Credit Card, Benefits of the Student Credit Card, features of the Student Credit Card, and its eligibility criteria, required documents of Student & co-borrower, Margin Money, Security, Insurance, Mode of Disbursement, Time line, Repayment and Application procedure, etc.

Specially, we have seen the students how to apply the Online Application and loan sanction process step by step in details through Computer Slide Show. The next part of our programme there is a Question Answer session for the students. And the interested students are answered by our Nodal officer Dr. Bharat Chandra Dalui and Help Desk Officer Sadananda Halder who made them satisfied.

A committee is formed by the Nodal officer and Help Desk officer following the instruction of Principal Dr. Nirmalendu Sarkar of our institution.

STUDENTS' CREDIT CARD SCHEME

In compliance with the order of the Commission to the Government of West Bengal, Department of Higher Educational & State Nodal officer (WBSSC Scheme) Memo No. 400-EN/RUSA 59/21 dated 14th December, 2021), our Institution, Katwa College, Katwa, Purba Bardhaman organized the 2h Awareness Camp on Student Credit Card Scheme is held today (Monday) Le.27.12.2021 at 11:00 A.M. at Katwa College Auditorium Hall with the consent and active pressure of the Principal Dr. Nirmalendu Sarakar, Nodal Officer Dr. Bharat Chandra Dalui, Help Desk Officer Sadananda Halder and other teachers. The programme was conducted by Nodal Officer and Help Desk Officer. About 152 Students attended in the Camp.

Second Notice of Students Credit Card Awareness Programme is uploaded in the College website and "Katwa College admin' Facebook group on 23.12.2021

On the Second day 27/12/2021, the College arranged an awareness programme on the West Bengal Students

Credit Scheme as follows:

1. Display of banner in conspicuous places in college campus and banner is hung on the background of stage of Auditorium Hall of our College.
2. Inaugural Song
3. Distribution of Leaflets among the Students by Organizers and other Committee Members.
4. Speech by Nodal Officer of our Institution.
5. Speech by Help Desk Officer of Our Institution.
6. PowerPoint presentation on Student Credit Card Awareness Programme. Specially, we have seen the students how to apply the Online Application and loan sanction process step by step in details through Computer Slide Show
7. A Question-Answer session for the students and the interested students are answered by our Nodal officer Dr. Bharat Chandra Dalui and Help Desk Officer Sadananda Halder who made them satisfied.
8. Speech by Hon'ble Principal of our College.

It is also announced to the students by Nodal officer that such camp will be held at a regular interval for the sake of the students.

Finally, Awareness Camp / Programme is over with the consent of the President cum Principal of our institution at 2:30P.M.

Various pictures of the programme are shared in the WhatsApp Group namely Student's CC Burd Hooghly" and "Katwa college Admin' of Facebook Group.

The report on the outcome of the Awareness camp is share to the higher education department through email: leccampwbsccs@gmail.com as per the format prescribed by Higher education department.

Topic: Netaji Subhas Chandra Bose and Indian Struggle for Independence

Organised by: Katwa College IQAC and Azadi ka Amrit Mahotsav committee jointly

Date: 21.4.2022

Speaker: Prof. Purabi Roy, internationally-renowned researcher on Netaji Subhas and Dr. Subhas Biswas, Associate Professor of History, Gen. (Retd) G. D. Bakshi Katwa College IQAC and Azadi ka Amrit Mahotsav committee jointly organized the program. On 21.04.2022 the College organized a Seminar titled, Netaji Subhas Chandra Bose and the Indian Freedom Struggle on the occasion of 75 years of Independence as well as 125th birth anniversary celebrations of Netaji Subhas Bose. The Programme was inaugurated by the Sub-Divisional Officer and College GB President Smt. Jameel Fatima Zeba and the speakers at the Seminar were Prof. Purabi Roy, internationally-renowned researcher on Netaji Subhas and

Dr. Subhas Biswas, Associate Professor of History, Kalyani University who addressed the Seminar physically in the College Auditorium and also Gen. (Retd)

G. D. Bakshi who addressed the audience through virtual mode which was shown in the Auditorium on a white screen. The speakers spoke about the tremendous contribution of Netaji Subhas to the independence of India and also his abiding legacy. They also discussed the question of his disappearance and the various researches and theories in this regard. The programme was interspersed with patriotic songs and was concluded with singing of the National Anthem. The programme was well-attended by students, teachers and non-teaching staff of Katwa College and the College had also invited ten of the schools in Katwa town to send students and teachers interested in attending the programme. The Auditorium remained packed till the last and the programme made an impact in creating a patriotic spirit among the audience.

Topic: The other Ray: The Aesthetics of His Book Designs

Department: English

Date: 27.04.2022

Speaker: Pinaki De, Associate Professor in the Dept. of English Peary Mohan College, Uttarpara, West Bengal

A special talk on "The Other Ray: Aesthetics of his Book Designs" had renowned Illustrator and Graphic Designer, Pinaki De, also Associate Professor in the Dept. of English Peary Mohan College, Uttarpara, West Bengal focus our attention to the Alternative Satyajit Ray whose filmmaking fame may have eclipsed his multi-talent towards book cover designs and advertisement creations. Having learnt on different schools of thought regarding art from Visva- Bharati and Benode Bihari Mukherjee as a conspicuous influence, Ray would go on to carve a niche in the world of advertisement that would showcase his idiosyncratic style. Ray worked at the very institutional D.J.Keymer ad-agency and later went on to create advertisements of his own films and designed book covers of his own and others. The audience was shown several of his book cover designs, advertisement templates and the iconic Nandan logo designed by Ray.

Chemistry of semiconductor Nanocrystals: laboratory to Display industries (tv and leds)

Organised by: Department of Chemistry Date: 19.05.2022

Speker : Dr. Nimai Mishra

In recent years, colloidal cesium lead halide (CsPbX₃) perovskite nanocrystals (PNCs) have attracted significant attention from researchers due to their unique optical properties and potential use in optoelectronic applications. In colloidal synthesis, oleic acid and oleylamine are commonly used as surface-capping ligands. Although oleylamine a crucial role in maintaining the colloidal stability and surface passivation of PNCs, its dynamic equilibrium with oleic acid leads to the formation of labile oleylammonium, which pulls halides from the surface of PNCs and thus degrades the crystals. In this Perspective, we summarize the various approaches for eliminating the amines to make high-quality, photostable, and amine-free CsPbX₃ PNCs. In addition, we look over the prospects of these PNCs regarding stability in different environmental conditions, photoluminescence properties, and optoelectronic device performance. This perspective will give a broad overview of amine-free PNCs starting from their synthesis, challenges, and optoelectronic properties to their future prospects.

Topic: College documentation and Mentor Mentee

Organised by: Katwa College IQAC Date: 08.6.2022

Speaker: Dr. Parag Joshi, Professor, Kavikulaguru Kalidas Sanskrit University and Dr. Rakesh Das, Assistant Professor, Ramakrishna Mission Vivekananda Educational and Research Institute

A One-day Seminar on College Documentation was held at Katwa College Auditorium in hybrid mode on 08.06.2022 for the purpose of making the teachers and non-teaching staff aware of the process of documentation necessary for accreditation purposes. The Seminar was addressed through virtual mode by Dr. Parag Joshi, Professor, Kavikulaguru Kalidas Sanskrit University and was physically addressed by Dr. Rakesh Das, Assistant Professor, Ramakrishna Mission Vivekananda Educational and Research Institute. The speakers spoke on the documentation practices essential for NAAC and also the mentor- mentee process. The College teachers asked questions from the resource persons regarding the various points made. The Seminar succeeded in clarifying doubts and questions regarding the mode of documentation necessary for going through the accreditation process.

NOTICE Date: 28.07.2022

Katwa College is going to arrange a one day seminar on 2nd August – 2022 to celebrate 161st birth anniversary of great teacher and scientist Acharya Prafulla Chandra Ray. This seminar is a part of "Azadi ka Amrit Mahotsav" celebration of glorious 75th anniversary of India's Independence which we observe throughout the year. All our esteemed colleagues and students are requested to take part the programme and make it a success.

President of Seminar Committee Convener of Seminar Committee

Dr. Nirmalendu Sarkar Mr. Debakinandan Majee
Principal Assistant Professor
Katwa College Department of Physics
Katwa College 28/07/22

Programme Details:

কিছু কিছু জ্ঞানের অর্ধেক আকাশ

Speaker: Prof. Subhasis Mukherjee
Calcutta University
Kolkata

Date: 02.08.2022
Time: 11 A.M.
Venue: College Auditorium

Outcomes of the Programme:

Women are getting enrolled in higher educational institutions and acquiring masters and doctoral degrees. They are getting engaged in employment opportunities in various sectors, including science and technology. The fields of science and technology have aroused interest and enthusiasm within their mind-sets. Contribution of women in science and technology are not only important in enriching their lives, but through their effective participation in these fields, they are contributing towards promoting well-being of the community and nation as a whole.

In spite of many social and economic difficulties, many women, not only through the World, but also in our country have registered significant contribution in various fields like science, medicine, literature, athletics and social reform.

॥ विद्यया विन्दतेऽमृतम् ॥

Today women of our country very aptly and successfully are carrying the glorious legacy of their predecessor. Our country also enacts many helpful acts for their progress.

Research studies have found that women too are choosing modern fields and are augmenting their career prospects. It has been found that women with backgrounds of science and technology are able to find better employment opportunities, even in international countries. In India, women are selecting basic science as their subject and rendering an effective contribution towards the progress of the community and nation. Finally, it can be stated that when the individuals are making use of technology and scientific methods in putting into operation any tasks, they should be well-prepared and possess adequate skills and abilities to produce profitable outcomes.

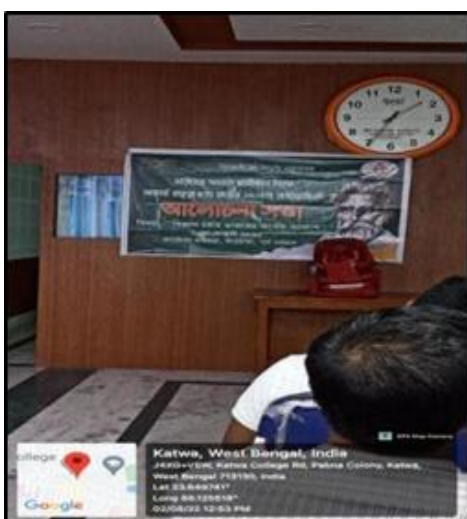

To encourage our female students of our college seminar committee, arrange a one-day seminar on 02- 08-2022 where Dr. Subhasis Mukherjee (Retired Professor of Calcutta University, Kolkata) delivered a talk entitled —Vijnan Charchai Bharater Ardhek Akash. Where he discussed about the contributions of a few female scientists in our country. In his lecture, he recalled the life and struggle of Marie Curie, first female Nobel Prize winner in connection with the struggle and achievement of Indian female scientists.

"ARADH NA BHARAT MATRIMYAM" celebration of goddess 75th anniversary of India's Independence and the 101st birth anniversary of great teacher and scientist Acharya Prof. Chandra Ray.

Vishay: Vijnan Charchai Bharater Ardhek Akash (Part-02) on 02/08/2022
Speaker: Prof. Subhasis Mukherjee, Calcutta University

Topic: "Basics of Geophysics and its career opportunities"

Date: 03.11.2022

Resource Person: Dr. Chinmay Halder, Scientist, Wadia Institute of Himalayan Geography, Department of Science and Technology, Government of India.

Outcomes of the Programme:

Geophysics is understanding the Earth and similar planetary systems by applying the principles of Physics. It may be studied from two different points of view: (a) Theoretical, and (b) Exploration. In theoretical Geophysics, we try to understand various properties of the Earth and Earth-like systems from basic scientific principles. It includes rigorous mathematics, chemical study, and other interdisciplinary theories. In exploration Geophysics, we learn various well-established exploration techniques like gravity survey, seismic survey, electromagnetic survey, well-logging, etc. This is where money is. If you develop expertise in any of the survey techniques, you may get a high paid job. Geophysics specially the exploration Geophysics is highly rewarding field of study. There are various job opportunities available in the private sector, PSU, and directly in the govt. Private Sector: Various private companies like SLB, Cairn take Geophysicists every year. PSU: PSU like ONGC and other companies take hundreds of Geophysicists each year through campus placement as well as through GATE score. Govt Job: There are some very prestigious govt job roles for Geophysicists like the GSI. Geophysics is still developing and there are huge possible areas of development. As the theories in other fields develop, smart Geophysicists will try to make it applicable in their work. A latest example is where muon survey techniques are coming up where we can map the subsurface looking up from the core. The latest inclusion of AI/ML (Artificial Intelligence/ Machine Learning) in Geophysical research make it so much young again to grow. For example, the earthquake prediction research has grown significantly in the last few years. In the development of a nation Geophysicists play an active role. Here is how:

1. Geophysicists do the aerial survey through remote sensing, airborne or by other means. And areal exploration is the very first step of finding a deposit of national resources. National resources decide the economy of a country and thus the standard of living of its people. Example: Recently we found Li deposit in Kashmir valley. It will definitely boost the EV manufacturing in India. People will get job with cheaper EVs.
 2. Geophysicists play an active role in observing the changing seismicity of a nation. They help in deciding the locations of major infrastructure projects.
- Other so many.

To encourage our students of our college seminar committee, arrange a one-day seminar on 03-11-2022 where Dr. Chinmay Halder, Scientist, Wadia Institute of Himalayan Geography, Department of Science and Technology,

Seminar Topic: Study of polar sea-ice and its impact on Indian Climate Variability

Date: 08.12.2022

Resource Person: Dr. Arnab Mukherjee, Scientist National Centre for Polar and Ocean Research (NCPOR), Ministry of Earth Sciences, Government of India.

Outcomes of the Programme:

In recent times, rapid melting of polar sea ice has been observed in both Arctic (North Pole) and Antarctic (South Pole) regions, however rate of melting is high in the Arctic compared to the Antarctic. The rapid decline of sea-ice is responsible for warmer climate in the Polar regions and play a dominant role for global warming in the World. A recent study also shows that there is a teleconnection between the rapid change of Arctic sea ice and extreme climatic events in India. However, the role of polar sea-ice on Indian climate is mostly unknown and research is going on to understand the connection between polar sea-ice and Indian climate variability.

Our institute named “National Centre for Polar and Ocean Research (NCPOR)”, located at Vasco Da Gama, Goa is a part of the Ministry of Earth Sciences (MOES) and is dedicated to research on all sectors of Polar Oceanography which includes Polar Biology, Polar Chemistry, Polar Physics, etc. In my group, we have developed a global ocean sea-ice coupled general circulation model to study polar sea-ice variability and its impact on global climate. The development of the model is based on geophysical fluid dynamics and we are using a High-Performance Computing (HPC) facility installed at the Indian Institute of Tropical Meteorology (IITM), Pune for running the numerical model. Research on the continuous development of the model is going on by improving the physics of the model and configurations.

Our institute NCPOR is involved in annual expeditions to the Arctic, and the Antarctic and also started expeditions in Himalayan regions for various observations related to the ocean, atmosphere, river, etc. These observations are regularly analyzed to understand various changes in the above regions and also compared with numerical models to understand the physics of it. Apart from three pole expeditions (Arctic, Antarctic, and Himalaya), our institute also works on climate variability in the southern part of the Indian Ocean and for the above study, every year an expedition has been organized using a research vessel ship to collect various oceanographic and atmospheric observational data.

To encourage our students of Katwa college seminar committee arrange a one-day seminar on 08-12-22 where Dr. Arnab Mukherjee, Scientist 'D', National Centre for Polar and Ocean Research (NCPOR), Ministry of Earth Sciences, Government of India, delivered a talk entitled 'Study of polar sea-ice and its impact on Indian Climate Variability'. Where he discussed various aspects of Polar climate and Oceanography. He also discussed the scopes of research and job opportunities in the field of Polar Oceanography. It is to be noted that not only the students of Physics the students of other science departments like Chemistry, Mathematics, Zoology, Botany and Geography were present in Dr. Mukherjee's lecture.

Seminar Topic: —Small is Beautiful - A Micro and Nano World Perspective in Human Life

Date: 23.12.2022

Resource Person: Dr. Sankar Dutta, Scientist, DRDO, Delhi

Outcomes of the Programme:

Since the pre-historian ages, the continuous efforts for the betterment of mankind have led to many revolutionary inventions. We all know how the inventions of fire, wheel, gunpowder, steam engine, electricity, etc. have changed human lifestyle. Today, we can't imagine our daily life without the presence of computers, mobile, internet. The progress in biotechnology has led to many therapeutic compounds, which save our lives from many life-threatening diseases. Behind many of these modern-day technological marvels, the technologies of micro and nano worlds act as the basic building block. With the advent of micro and nano technologies, it is possible to send a miniaturized robotic arm (having a camera and actuators) through a vein to rectify heart problems. The size and weight of computers reduced from 15 m long and 5 tons in 1945 to a few hundred grams which fitting today on our lap are only possible due to the quest for miniaturization. To excel in the betterment of human life, the basic understanding of micro and nanotechnologies need to be understood. To encourage our students of Katwa college seminar committee arrange a one-day seminar on 23-12-22 where Dr. Sankar Dutta, Scientist, DRDO, Delhi delivered a talk entitled 'Small is Beautiful - A Micro and Nano World Perspective in Human Life'. Dr. Dutta discussed how DRDO scientists support our soldiers technologically to fight against our enemy. He discussed various aspects of Micro Electromechanical System (MEMS) and Nano Electromechanical System (NAMES) for our students to make them interested in research in this particular field. He also discussed how semiconductor devices and sensors are used in the defense of our country. He also discussed the scopes of research and job opportunities in the field of Nano and material science. It is to be noted that not only the students of Physics the students of other science department like Chemistry, Zoology, Botany were present in Dr. Sankar's lecture.

Seminar Topic: —Recreation of Baby Universe in the Laboratory

Date: 29.12.2022

Resource Person: Dr. Md. Nasim, Assistant Professor, IISER Berhampur

Outcomes of the Programme:

According to quantum chromodynamics (QCD), at very high temperature (T) and/or at high density, a de-confined phase of quarks and gluons is expected to be present, while at low T and low density the quarks and gluons are known to be confined inside hadrons. The heavy- ion collisions ($A + A$) provide a unique opportunity to study QCD matter in the laboratory experiments. The medium created in the heavy-ion collision is very hot (~4 trillion degrees Celsius) and dense and also extremely short-lived (~10–23 sec). In this talk, the speaker discussed various properties of QCD matter produced in heavy-ion collisions. To encourage our students of our college seminar committee, arrange a one-day seminar on 29-12-2022 where Dr. Md. Nasim, Assistant Professor, IISER Berhampur delivered a talk entitled —Recreation of Baby Universe in the Laboratory. We conducted a programme in two sessions in the first session on behalf of Katwa College we felicitated Dr. Nasim for his achievements (Prestigious INSA YOUNG SCIENTIST MEDAL-2021). In felicitation programme few faculty members of Katwa College introduced Dr. Nasim and three Ex-students of Physics departments gave deliberation. Dr. Abhijit Chakraborty, Professor, Department of Physics, Burdwan University was the Chief Guest in our programme.

State Level Seminar on Human Rights

Date: 10.12.2022

Resource Person: Dr. Shiladitya Chakrabarty, Department of Political Science, Kalyani University
Asst. Prof. Abdul Matin, Department of Internal Relation, Jadavpur University
Dr. Shushanta Bhattacharya, HOD-Political Science, Sharad Sentenay College

Outcomes: Human rights are standards that recognize and protect the dignity of all human beings. They are not granted by any state but are inherent to us all, regardless of nationality, sex, national or ethnic origin, color, religion, language, or any other status. These universal rights govern how individual human beings live in society and with each other, as well as their relationship with the State and the obligations that the State has towards them. In essence, human rights ensure that every person has dignity and value, acknowledging and respecting their fundamental worth. These rights encompass a wide range of essential principles, including the right to life, a fair trial, freedom from torture, freedom of speech, freedom of religion, and the rights to health, education, and an adequate standard of living. Whether we're rich or poor, young or old, our background, beliefs, or location, these rights remain the same, making them truly universal. It's vital for individuals and governments alike to uphold and protect these rights, fostering a world where everyone can live free from fear, harassment, and discrimination.

Notice

We are pleased to announce a "Nature Awareness Camp" is scheduled to take place at Katwa College on **March 20, 2024**, starting at 9:00 AM. The primary agenda of the camp includes cleanliness drive around the campus and surrounding area, advocating for the ban on single-use plastic and declaring our campus as 'single use plastic-free zone'.

We invite all students and faculty members to actively participate in this initiative towards creating a more sustainable and eco-friendlier environment. Let's come together to make a positive impact on our surroundings and pave the way for a greener future.

Organised by Katwa college Nature club in association with IQAC, NCC, NSS, Boys & Girlshostel, Department of Geography, Botany, Zoology and Physiology.

Celebration of World Environmental Day, 2024 in collaboration with Purbasha Eco Helpline Society (under MoU)

Programme:

- Mangrove Plantation** – Purbasha Eco Helpline Society has organized mangrove plantation programme on 5th June, 2024 at Chargheri, Satjelia, South 24 Pargana. Students & teachers of Katwa College also take part in this auspicious event where ten thousand mangrove saplings were planted by students, teachers & members of PEHS
- State Level Seminar** – On the day of 9th June a state level seminar on Sundarban & Environment was organized by PEHS in collaboration with Katwa College & many others college at Ahlia University Campus to celebrate world environmental day. Eminent environmentalists & geographers delivered their lecture & also share their experiences of research on Sundarban. Our students & teachers of geography department participate in this seminar from where they came to know about the ecosystem of sundarban & what to do to protect this largest estuarine delta & mangrove forest.

Sub: Revised Schedule of Science Exhibition

Dear Sir/ Madam,

It is our great pleasure to inform you that Katwa College is going to organize a one-day Science in collaboration with Katwa Municipality, to be held on 15th September, 2022 as a part of the **Platinum Jubilee Celebration** of the College. The HODs of the following departments are hereby requested to make sure within 10th September, 2022 that two or three separate models be presented by your department in this exhibition. Two students (going 6th semester students may be involved, if needed) under the supervision of one teacher will be allowed for the presentation of each model. Kindly intimate the name of the participants to the Convener of VIJNAN PARISAD within the date mentioned above.

Yours co-operation to make the exhibition a grand success is highly solicited.

With best regards,

Principal of VIJNAN PARISAD

Intra-College Debate Competition

Topic: Role of Mass Media in Democracy.

Debate Moderator: Mr. Suraj Sarkar, Faculty Member, Katwa College

Participants and Structure: The Intra-College Debate Competition on the topic "Role of Mass Media in Democracy" was held on 15th March 2023, 9:30 AM onwards at the B.Ed. Hall of Katwa College. The competition was jointly organized by the B.Ed. Department and the Internal Quality Assurance Cell (I.Q.A.C.) of the college. There were two groups of participants, each consisting of eight (08) members.

Group-A

1. Prabhat Kumar Mandi
2. Anindita Mahi
3. Mintu Saha
4. Sumanta Paul
5. Suhana Sultana
6. Shrabanti Praminik
7. Piyali Pal
8. Mampi Chowdhury

Group-B

1. Sanoy Pal
2. Barun Ghosh
3. Lily Das
4. Mousumi Das
5. Sumon Nag
6. Ranjit Ghosh
7. Biva Roy
8. Rakhi Bharti

Relevant Outcomes: The debate competition provided a platform for students to delve into the complexities of the topic and engage in intellectual discourse. It promoted critical thinking, public speaking, and the ability to articulate informed opinions on contemporary issues. The competition not only showcased the talents of the participants but also enriched the academic environment of Katwa College by fostering a culture of debate and discussion.

क्र / No.	রেজুল্যুশন / Resolution Adopted
	<p style="text-align: center;">Mental Health Meeting Resolution</p> <p>Date: 20/02/2020 Time: 1 pm</p> <p>It is estimated that 6-7 % of population suffers from mental disorders. The World Bank report (1993) revealed that the Disability Adjusted Life Year (DALY) loss due to neuropsychiatric disorder is much higher than diarrhoea, malaria, worm infestations and tuberculosis if taken individually. Together these disorders account for 12% of the global burden of disease (GBD) and an analysis of trends indicates this will increase to 15% by 2020 (World Health Report, 2001). One in four families is likely to have at least one member with a behavioural or mental disorder (WHO 2001). These families not only provide physical and emotional support, but also bear the negative impact of stigma and discrimination. Most of them (>90%) remain un-treated. Poor awareness about symptoms of mental illness, myths & stigma related to it, lack of knowledge on the treatment availability & potential benefits of seeking treatment are important causes for the high treatment gap. The Government of West Bengal has launched Counseling & Life Skill Training on Mental Health to provide free mental health-care services to those who are in need on 24*7 basis.</p> <p>In this connection, the meeting has been arranged and the following points have been discussed.</p> <ol style="list-style-type: none">1. Dr. Nirmalendu Sarkar, Principal, Katwa College briefly tells us about the Counseling & Life Skill Training on Mental Health launched by the Government of West Bengal.2. Prof. Siddhartha Maji, Convenor, Career Counselling Cell, Katwa College says that this programme will provide psychological counselling as well as psychological consultancy to those who need it.3. Dr. Jyotipratim Ray Chaudhuri says that this programme will give wide publicity of the Counseling & Life Skill Training on Mental Health in colleges.4. Dr. Sarkar instructs Prof. Maji to take necessary steps to arrange the programme and notify the students about it immediately.5. Dr. Sarkar allows us to conduct the program in the college auditorium.6. All the members unanimously agree to the programme of Counseling & Life Skill Training on Mental Health launched by the Government of West Bengal. It is concluded that the program will be held on 03.03.2020 at 11 a.m. in the college auditorium. <p style="text-align: right;"><i>Sarkar</i> 20/02/2020</p> <p style="text-align: right;"><i>N. TCS Meeting Resolution

Date: 14.07.2021

Time: 1 p.m. onwards

Tata Consultancy Services Limited (TCS) is an Indian multinational information technology (IT) services and consulting company headquartered in Mumbai. It is a part of the Tata Group and operates in 150 locations across 46 countries. In September 2023, it was reported that TCS had over 616,000 employees worldwide. TCS is the second-largest Indian company by market capitalization, the most valuable IT service brands worldwide, and the top Big Tech (India) company. As of June 2023, it was the world's second-largest user of U.S. H-1B visas. TCS also organizes training programme for the final year students from arts, commerce, or science backgrounds and offers placement to the successful candidates. In this connection, the meeting has been arranged and the following points have been discussed.

1. Firstly, Dr. Nirmalendu Sarkar, Principal, Katwa College says that **Tata Consultancy Services (TCS)** will organize a training programme for the final year students from arts, commerce, or science backgrounds (B.A./B.Sc./B.Com./B.Sc. IT/ BCA etc) and alumni of Katwa College (who have graduated in the previous year i.e. 2020 and are within 28 years of age).
2. Dr. Sarkar also adds that candidates with master degree, those pursuing master degree, those with Distance Education (B.A./B.Sc./B.Com./B.Sc. IT/ BCA etc) and those with B.Tech. & B.E. will not be allowed for this training. But a student who has completed the graduate level course in regular Mode but currently pursuing Masters level course in Distance Mode is allowed to join. On successful completion of the training, the trainees will receive a digital certificate of participation and completion from TCS which will stand as a testimony and accreditation of their employability prospects in the corporate world.
3. It is discussed in the meeting that the trainee shall be guided and encouraged to apply in job market as per suitable vacancies available for freshers across the industries including TCS. **The college does not have any involvement in the appointment of candidates by TCS.**
4. All the members agree that interested candidates may enroll their names to join the training programme by sending email (katwacollegecounselingcell@gmail.com) before **19th July, 2021**. The application must contain the following information. **All the information is necessary without which the application will be not considered as complete and will be rejected.** The applicants will not have to send any document or certificate. The date of training programme will be announced later.
5. It is concluded that career counseling committee will prepare a final list of eligible candidates among the applicants and will recommend the names of selected candidates to TCS authority for training program. **The decision of career counseling committee will be final in this regard.**

2COMS Meeting Resolution

Date: 17/12/2021

Time: 1 p.m. onwards

2COMS Pvt. Ltd. is a Human Supply Chain Management company. With over 2500+ employees and more than 7 branches, we offer a wide variety of services, connecting more than 4000 professionals with over 70 clients every day. They approached Dr. Nirmalendu Sarkar, Principal, Katwa College to organise a **Job Fair** for students who are already graduated at our college campus. In connection of his proposal, this meeting has been arranged and the following points have been discussed in the meeting.

1. At the beginning, Dr. Sarkar says that Bijay Anand Singh, Sr. Placement Executive, Edujobs Academy Pvt Ltd., Burdwan contacted him *via* email mentioning that 2COMS Pvt. LTD is East India's No.1 Recruitment & Placement Company. They have already placed 70000+ candidates in 2000+ reputed companies in all over India.
2. Dr. Sarkar further says that 2COMS Pvt. Ltd. would like to do a Job Campaigning in our college & provide jobs to the students who are already graduated from our college. They request the Principal to give them permission & date as per his convenient in the college campus so that the Companies' Representatives visit to do this Job Fair.
3. Prof. Utpal Das, IQAC Co-ordinator, Katwa College says that the Job Fair will be a good initiative to encourage students and will attract other companies to do such programmes in future.
4. Dr. Sarkar instructs Prof. Siddhartha Maji, Convenor, Career Counselling Cell, Katwa College to take necessary steps to arrange the Job Fair and also directs Prof. Maji to notify the students about the seminar as early as possible.
5. Dr. Sarkar says that pass-out students from science, arts, commerce and B.Ed. can appear for the Job Fair.
6. Dr. Sarkar allows us to conduct the program in the college auditorium.
7. The Job Fair is scheduled to be held on **21/12/2021** from **11 am** onwards. Various companies' representatives will visit to do this Job Fair. Successful candidates will be provisionally offered jobs on spot. The college does not have any involvement in the appointment of candidates by 2COMS group.
8. All the members unanimously agree the proposal given by 2COMS Pvt. Ltd. and the date and time of the seminar are approved by all who are present in the meeting.

2COMS Meeting Resolution

Date: 17/12/2021

Time: 1 p.m. onwards

2COMS Pvt. Ltd. is a Human Supply Chain Management company. With over 2500+ employees and more than 7 branches, we offer a wide variety of services, connecting more than 4000 professionals with over 70 clients every day. They approached Dr. Nirmalendu Sarkar, Principal, Katwa College to organise a **Job Fair** for students who are already graduated at our college campus. In connection of his proposal, this meeting has been arranged and the following points have been discussed in the meeting.

1. At the beginning, Dr. Sarkar says that Bijay Anand Singh, Sr. Placement Executive, Edujobs Academy Pvt Ltd., Burdwan contacted him *via* email mentioning that 2COMS Pvt. LTD is East India's No.1 Recruitment & Placement Company. They have already placed 70000+ candidates in 2000+ reputed companies in all over India.
2. Dr. Sarkar further says that **2COMS Pvt. Ltd.** would like to do a Job Campaigning in our college & provide jobs to the students who are already graduated from our college. They request the Principal to give them permission & date as per his convenient in the college campus so that the Companies' Representatives visit to do this Job Fair.
3. Prof. Utpal Das, IQAC Co-ordinator, Katwa College says that the Job Fair will be a good initiative to encourage students and will attract other companies to do such programmes in future.
4. Dr. Sarkar instructs Prof. Siddhartha Maji, Convenor, Career Counselling Cell, Katwa College to take necessary steps to arrange the Job Fair and also directs Prof. Maji to notify the students about the seminar as early as possible.
5. Dr. Sarkar says that pass-out students from science, arts, commerce and B.Ed. can appear for the Job Fair.
6. Dr. Sarkar allows us to conduct the program in the college auditorium.
7. The Job Fair is scheduled to be held on **21/12/2021** from **11 am** onwards. Various companies' representatives will visit to do this Job Fair. Successful candidates will be provisionally offered jobs on spot. The college does not have any involvement in the appointment of candidates by 2COMS group.
8. All the members unanimously agree the proposal given by 2COMS Pvt. Ltd. and the date and time of the seminar are approved by all who are present in the meeting.

	<p style="text-align: center;">Rice Meeting Resolution</p> <p>Date: 18/02/2022 Time: 1 p.m. onwards</p> <p>RICE is a systematic, structured and disciplined organisation that has helped aspirants achieve their career goals in government job preparation and competitive examinations since 1985. Mr. Mr. Subinoy Chandra, Zonal Head (West Zone), RICE Education mailed Dr. Nirmalendu Sarkar, Principal, Katwa College and Prof. Siddhartha Maji, Convenor, Career Counselling Cell, Katwa College on 15th February, 2022 with a proposal to organise a seminar for the students of our college to spread career awareness on Government jobs. In connection of his proposal, this meeting has been arranged and the following points have been discussed in the meeting.</p> <ol style="list-style-type: none">1. Firstly, Prof. Maji says that he has called this meeting to discuss about Mr. Chandra's proposal to organise a seminar for the students of our college to spread career awareness on Government jobs.2. Dr. Sarkar says that since the year 1985 RICE have been successfully imparting quality training for various competitive examinations held for the recruitment of Government & Public Sector Employees under the Central and State Governments and this training has made students achieve their goal of becoming Govt. Officials.3. Prof. Utpal Das says that RICE Education, considering the pandemic situation has taken the initiative to spread career awareness on Government jobs through various 'seminars' for the students of different Colleges & Universities across West Bengal. Students attending these seminars can get all relevant information regarding the benefits, scopes, opportunities and methods of preparation for building career in government and public sectors.4. Prof. Maji says that Experts from RICE Education and Industry experts will be the speakers in this seminar. This will enrich the students with all relevant information and guide them for the preparation of competitive examinations held for the recruitment of different Govt. services.5. Prof. Dulal Sarkar says that the seminar will be beneficial for the students as well as for the college.6. Dr Sarkar allows us to conduct the seminar in the college auditorium and directs Prof. Maji to notify the students about the seminar as early as possible.7. All the members unanimously agree the proposal given by Rice and it is concluded that a seminar on Career Counseling Session will be held in collaboration with Rice Education, Western Zone on 25.02.2022 at 11 a.m. in the college auditorium. <p style="text-align: center;"> 18/02/2022</p> <p style="text-align: center;"></p> <p style="text-align: right;"> 18/02/2022 Principal Katwa College</p>

EduBridge Meeting Resolution	
Date: 29/03/2023 Time: 12 noon	
<p>EduBridge is India's leading Workforce Development Platform that helps learners in building careers with leading corporates through training & other career building services. They approached Prof. Utpal Das, IQAC Co-ordinator, Katwa College and gave a proposal for conducting a Career Counseling Seminar for the students at our college campus. In connection of his proposal, this meeting has been arranged and the following points have been discussed in the meeting.</p>	
<ol style="list-style-type: none">1. Firstly, Prof Das says that EduBridge is an Integrated Workforce Development Organization started by IIM alumni & professors in October 2009, EduBridge impacts the entire Career Development life cycle of the unemployed youth of the country. We help the unemployed youth to understand their strengths, build tomorrow's skills needed by recruiters and secure employment with them, thereby building sustainable careers for our beneficiaries. With more than a decade of experience, we have trained over 150,000 youth and placed around 100,000 learners in more than 300 companies across the country. We have an offline presence across 18 states, extensive local networks & ecosystems, tried and tested tech architecture and strong relationships with recruiters, corporate and the youth; we have grown our online business as an Integrated Workforce Development Platform for the youth's journey from a learner to a productive member of the workforce. EduBridge has a diversified business model with revenue coming from Learning Solutions, Career Solutions and Talent Solutions. Headquartered in Mumbai, EduBridge has offices across India and a strong team of over 500 employees.2. Dr. Nirmalendu Sarkar, Principal, Katwa College accepts the proposal and confirms that the seminar will be organised on 5th April, 2023 at 11 am. He further adds that fees of Rs. 2000 (Rupees two thousand) only is required for maintenance of the auditorium hall and consumption of electricity.3. Dr. Sarkar instructs Prof. Siddhartha Maji, Convenor, Career Counselling Cell, Katwa College to take necessary steps to arrange the seminar and also directs Prof. Maji to notify the students about the seminar.4. Dr. Sarkar allows us to conduct the program in the college auditorium.5. All the members unanimously agree the proposal given by EduBridge and the date & time of the Career Counseling Seminar are approved by all who are present in the meeting.

क्र / No.	प्रेरकपत्रांकन / Resolution Adopted
PIBM Meeting Resolution	
Date: 10/01/2024	Time: 1 p.m. onwards
<p>PIBM is a premier Business School in Pune, India. It is one of the best PGDM & MBA colleges in Pune, and accredited by NBA & NAAC. Mr. Samir Ranjan Mondal, HOD, PIBM, Pune approached Dr. Nirmalendu Sarkar, Principal, Katwa College to organise a Career Guidance Session for the final year students at our college campus. In connection of his proposal, this meeting has been arranged and the following points have been discussed in the meeting.</p>	
<ol style="list-style-type: none">1. Firstly, Dr. Sarkar introduces the proposal given by PIBM. He says that PIBM is a renowned business management institute in India. He continues that PIBM wants to organise a Career Guidance Session in collaboration with Katwa College Career Counselling Cell for the final year students at our college campus.2. Mr. Samir Ranjan Mondal says that they offer online as well as offline MBA courses for the students from science, arts and commerce background. Their online MBA course is Rs. 25000/- which they can arrange as educational loan from banks. He also wishes to arrange a seminar with consent from Principal Sir to make the students aware of the various jobs and opportunities after completion of their graduate course. Mr. Mondal raises a proposal for conducting a thirty-hour course for the final year students through blended mode on the topic of 'How to Face Interview'. He assures that students must improve a lot and will be brave enough to face any kind of interview after completion of the course.3. Prof. Utpal Das, IQAC Co-ordinator, Katwa College asks whether the college will be benefited or not as Katwa College will be facing NAAC in the year of 2024.4. Mr. Mondal agrees to the fact that the college can show this course as add-on course when they will prepare NAAC documentation.5. Prof. Dulal Sarkar says that the course will be beneficial for the students as well as for the college.6. Dr. Sarkar instructs Prof. Siddhartha Maji, Convenor, Career Counselling Cell, Katwa College to arrange a seminar on the above topic where Mr. Mondal will be the only speaker and he also directs Prof. Maji to notify the students about the seminar as early as possible.7. Mr. Mondal says that their institute will prepare the banner for the seminar. They will use the logo of Katwa College and mention the name of Katwa College Career Counselling Cell in the banner.

NOTICE

Indian Space Research Organisation (ISRO) initiated an online training programme "Space science and Technology Awareness Training (START)" in 2023. ISRO will conduct START - 2024 programme during April - May, 2024. The START programme is envisaged as an introductory level online training in space science and technology for post-graduate and final year undergraduate students of physical sciences (Physics and Chemistry) and technology (e.g. Electronics, Computer Science, Mechanical, Applied Physics, Radiophysics, Optics & Opto-electronics, Instrumentation and other associated subjects), studying in Indian educational institutes/Universities/Colleges. The training programme is about 1-2 hrs / day with 20-25 lectures, which may be completed in a month time.

The successful candidates of the online test would be provided a certificate. The training modules will comprise introductory level topics on various verticals of space science and technology. In addition to these, there will be sessions on Indian space exploration programme and research opportunities. Important dates are given below.

Commencement of registration: 8th April 2024

Last date for registration: 12th April 2024

START programme is offered by ISRO free of cost. There is no registration fee / admission fee.

More details may be found at: <https://jigyasa.irs.gov.in/START>. A flyer for the program is also attached along with.

Interested candidates are instructed to enroll their names to participate in the program.

Career Counselling Session

Date: 06.01.2023

Outcomes of the Programme: Career counselling is **essential** for individuals at various stages of their professional journey. Whether you're a student exploring career options or an experienced professional seeking a change, career counselling offers **numerous benefits**. Let's delve into why it matters:

1. **Informed Decisions:** Career counselling empowers you to make **informed choices** about your career. By understanding your strengths, interests, and values, you can align your path with what truly resonates with you
2. **Self-Discovery:** Through counselling, you gain insights into your personality, skills, and aspirations. It's like holding up a mirror to your professional self, allowing you to explore who you are and what you want from your career
3. **Education and Training:** Career counsellors guide you on the educational or training path needed to achieve your goals. They help you identify resources and information related to your chosen field, ensuring you're well-prepared
4. **Career Scope:** Wondering about the scope of a particular career? A counsellor can provide clarity. They discuss job prospects, growth opportunities, and industry trends, helping you set realistic expectations
5. **Unbiased Insights:** Unlike friends or family, career counsellors offer **neutral advice**. They consider your unique situation without any personal bias, ensuring you receive objective guidance.
6. **Confidential Environment:** Counselling sessions create a safe space where you can openly discuss your career concerns, ideas, and feelings. Everything shared remains confidential, allowing you to explore freely

Career Counselling

Date: 07.02.2023

Resource Person: Dr. Subhasis Mukherjee, Retired Professor of Calcutta University, Kolkata

Debashis Chatterjee, Rice Education, Burdwan.

The process of career counselling involves several stages, each contributing to a holistic approach. Let's explore these stages:

- **Getting to Know You:** In this initial phase, you'll meet your career counsellor. Building rapport is crucial, as you'll share personal information and discuss your background.
- **Data Collection:** Questionnaires and forms help gather data about your current situation and your journey so far.
- **Awareness:** Your counsellor will understand your personality, interests, and experiences. This knowledge sets the foundation for the subsequent stages.
- **Analysis and Assessment:** Tests and assessments come into play. Your social behaviour, personality traits, and career interests are evaluated.
- **One-on-One Interaction:** You'll explore various career paths with your counsellor. Together, you'll identify options that align with your strengths and aspirations.
- **Common Ground:** You and your counsellor work toward consensus. Barriers hindering your career choices are addressed.
- **Path Selection:** Proper counselling helps you decide which career path suits you best.
- **Comprehensive Exploration:** All avenues have been explored, and decisions have been made.
- **Final Steps:** You're now prepared to take action based on your chosen path

Celebration of Antrjatik Matribhasaa Dibosh

International Mother Language Day, observed on **February 21st** each year, celebrates the power of language in promoting mutual understanding and respect. It encourages people to learn and appreciate different languages and cultures. On this day, let us celebrate our linguistic and cultural diversity, and pledge to promote and preserve our mother languages.

Each of the more than **7,000 languages** spoken by humanity carries within it a unique view of the world, of things, and of beings—a way of thinking and feeling. So much so that each disappearance of a language constitutes an irretrievable loss¹. Language is not merely a means of communication; it shapes our identity, our history, and our connection to others. By celebrating

our mother tongues, we honor our heritage and contribute to a world where linguistic diversity thrives.

As we commemorate International Mother Language Day, let us recognize that language is the key to our creative thinking and expression. We all have a responsibility to **preserve, promote, and pass on** our mother tongues to future generations. Whether it's through literature, music, or everyday conversations, let our languages continue to weave the rich tapestry of human experience.

Webinar Title - Tanaya - Caring for Daughters: A revolutionary app of gynaecological wellness

2. Date & Time – 15th June 2021/ 12 PM onwards
3. Name of Resource Person with Designation- Dr. Raj Ray, Miss Trisha Sarkar Mr. Sreetam Ganguly from SOS team (System on Silicon)
4. Topic- Women's health in India: Critical problems and how Science & Technology can redefine the landscape
5. Number of Register Participants- 113
6. Number of present participants maximum- 95
7. Number of Feedback given - 90
8. Number of interaction participants- 15- 20 % of the students asked questions and interacted with the resource persons.
9. Platform with link - Google Meet The link: <https://meet.google.com/idc-xgbb-khs>
10. Overall report–System On Silicon Corporation (aka SOS Corp) , a US-based technology start-up founded by global leaders from software/hardware/medical science/biology organized a FREE seminar for all the professors and students of the institute about **Tanaya - Caring for Daughters, a ground-breaking gynaecology solution from SOS Corp.**

"Tanaya" is a flagship product from Systems on Silicon Corporation. It offers AI/NLP based personalised digital analytics and affordable doctor consultation for all kinds of gynaecological care. Through this app, women can get in touch with gynaecologists and get features like period tracking and prescription management, anywhere, anytime. Designed to be user friendly, this lightweight app is currently being used by women from both urban and rural areas in India and abroad. The webinar addressed critical problems and the condition of Women's Health in India that is least discussed and researched on. It emphasized the need of awareness and sensitization of both men and women towards a general wellness of women and critical issues in their health care that will lead to a sensitive and a developing society. The company offered internship projects to the interested students too that would provide them hands on experience to deal with the dynamics of health care both at the technical and social sphere.

REPORT ON SPECIAL LECTURE SESSION 2022-23

SPEAKER – DR TANIA CHAKRAVERTTY, DEAN, STUDENTS' WELFARE, DIAMOND HARBOUR WOMEN'S UNIVERSITY

A lecture and interactive session on “Women Also have Minds: An Introduction to Gender and Feminist Criticisms” was held on 22ND November 2022 for the students of the department.

The speaker laid down the First Wave to Fourth Waves in the history of Gender Critical studies and Feminist Criticisms and deliberated on the school of theory. Feminist Criticism as part of the UG CBCS syllabus has always been a thought provoking and awareness inducing topic for the students and therefore society at large through the sensitized youth through such lectures.

Resource Person: Dr. Tania Chakrabarty, Dean of Students Welfare, Diamond Harbour Women's University

Outcome: we gather here to celebrate **National Women's Day**, a day dedicated to honoring the remarkable achievements and contributions of women across the globe. As we commemorate this special occasion, let us reflect on the progress made and the challenges that lie ahead.

1. Historical Roots:

- o National Women's Day has its origins in the tireless efforts of suffragettes who fought for women's right to vote. Their courage and determination paved the way for equality and justice.
- o the first International Women's Day was held in **1911**, with over a million people participating in demonstrations worldwide¹¹.
- o Today, we continue to honour their legacy by advocating for gender equality and women's empowerment.

2. Achievements and Challenges:

- o Women have shattered glass ceilings and broken-down barriers in various fields. From science and technology to arts and politics, their impact is undeniable.
- o However, challenges persist. The **gender pay gap** remains a significant issue globally, despite progress. Women continue to earn less than men in many countries¹¹.
- o We must address these disparities and create a world where women are valued equally for their contributions.

3. Choose to Challenge:

- o the theme for International Women's Day 2021 was —Choose to Challenge. It encourages us to challenge gender stereotypes and biases.
- o Let us actively challenge outdated norms and support women in their pursuit of education, careers, and leadership roles.

4. Honouring Courage and Determination:

- o on this day, we honour the countless achievements of women from all walks of life. Their courage and determination inspire us to create a more equitable society.
- Whether it's advocating for women's rights, breaking barriers, or nurturing families, women play an invaluable role in shaping our world.

5. Continuing the Journey:

- o While progress has been made, true equality remains our goal. Let us work together to eliminate discrimination, violence, and bias.
 - o National Women's Day reminds us that our collective efforts can create a world where every woman's voice is heard and respected.
- In conclusion, let us celebrate the strength, resilience, and unwavering spirit of women. May we continue to stand up for their rights and build a brighter future for all. Thank you.

Yoga

One Day State Level Seminar on adhunik Totho Projuktir Juge Yog o Sarirchorchor Upojugita

Date: 29.08.2022

Resource Person: Sudipta Kumar Jana, National Gymnast & Yogasana Player

Dr. Sudip Sundar Das, HOD, Physical Education Department, Jadavpur University.

Outcomes: Yoga holds immense significance in daily life. It is not merely an exercise form or a passing trend; rather, it is a holistic way of living that aims to promote physical, mental, and spiritual well-being. Here are some key points highlighting the importance of yoga:

- Physical Health:** Yoga enhances flexibility, strength, and posture. Regular practice helps maintain muscle tone, improves stamina, and boosts overall physical health.
- Mental Well-Being:** Amidst the chaos of modern life, yoga provides a sanctuary for peace. It sharpens focus, enhances memory, and fosters creativity. By practicing yoga, we can combat stress and maintain emotional stability.
- Living in the Present:** Yoga teaches us to be present in the moment. It encourages mindfulness, allowing us to experience life as it unfolds, free from distractions.
- Spiritual Connection:** Yoga isn't just about physical postures; it also deepens our understanding of ourselves and our purpose in life. It fosters a connection with our inner self and the universe.

Ganges River Dolphin Awareness Workshop

Date: 19.05.2023

The Ganges River Dolphin holds immense significance for the health of the entire river ecosystem. Let me share why it matters:

1. Indicator of Ecosystem Health:

- o Just as the tiger represents the health of the forest and the snow leopard signifies the well-being of mountainous regions, the presence of the Ganges River Dolphin in a river system signals its **good health and biodiversity**
- o These dolphins serve as reliable indicators, reflecting the overall ecological balance of the Ganga River.

2. Apex Predator and Food Chain Balance:

- o The Ganges River dolphin is an **apex predator**. Its presence helps maintain the river's food chain by regulating fish populations.
- o by preying on certain fish species, they prevent overpopulation and ensure a balanced ecosystem.

3. Cultural Icon and Conservation Efforts:

- o Revered by many Hindus, the dolphin is also an **important cultural icon** in India.
 - o Recognizing its critical role, the government of India declared it the **National Aquatic Animal** in 2009.
 - o Conservation efforts are crucial to preserving the river's biodiversity and ensuring the well-being of these remarkable creatures.
- In summary, the Ganges River Dolphin's conservation is not only about protecting a species; it's about safeguarding the health of the entire river and its intricate web of life.

Workshop schedule

Event - Ganges river dolphin awareness workshop
 Date - 19 May 2023
 Venue - Auditorium, Katwa College, Purba Bardhaman district
 Time - 11 AM to 2 PM
 Organizers - Katwa College, Purba Bardhaman
 In collaboration with Wildlife Institute of India, Ichhra

About the Workshop
 Ganges River Dolphin is the Indian national aquatic animal and an indicator species of the river systems. Currently, Wildlife Institute of India, Dehradun is working on a project titled 'Development of conservation action plan for river dolphins' sponsored by and in collaboration with CAMPA-MoEFCC under Government of India, and State Forest Departments (Government of Assam, West Bengal, Bihar, Uttar Pradesh, Uttarakhand and Madhya Pradesh). As per the project objectives, this workshop aims at bridging the gaps between the different stakeholders, like the local authorities, fishing communities, riverside residents and the students, who are likely to be the future wildlife conservationists.

Kishan Mitra Cell

KISAN MITRA CELL, KATWA COLLEGE

The agricultural sector in India is a vital component of the country's economy and livelihoods, but it faces a mix of challenges and opportunities. Agriculture contributes around 17-18% to India's GDP and employs nearly 50% of the workforce. India is a major producer of various crops, including rice, wheat, pulses, fruits, and vegetables, playing a crucial role in ensuring food security for its large population.

The Kisan Mitra Cell, also known as Farmers' Friend Cell is an initiative typically established by government agencies or non-governmental organizations to support farmers by providing them with essential information, assistance, and resources. The main goal of these cells is to improve the livelihoods and productivity of farmers by addressing their various needs and challenges.

Our Katwa College is located beside the lower basin of Bhagirathi, surrounded by lots of villages. Most of the pupils are coming from surrounding as well as remotely rural areas with a farming background. So a common interest about agriculture has been noticed among the students. In this connotation some form of community engagement centered on the farmers' interests or support program addressing the concerns of the farmers would have been a great contribution on behalf of our respected Principal Dr. Nirmalendu Sarkar and the HOD madam Smt. Madhumita Sen of Geography department of Katwa College.

Organization of Kisan Mitra Cell at Katwa College

Among the numerous controlling factors, agricultural productivity is highly affected by the physical and chemical composition of the farmland soil. That's why frequent soil testing is necessary to good crop and soil health. This could be conducted in the Geography department's laboratory at this college, where we possess soil testing kits. The college has resolved to support farmers in the surrounding regions by providing free soil testing facilities for their agricultural lands. To implement this initiative continuously, the Kisan Mitra Cell at Katwa College was created on 08.01.2019. Side by side a special committee has been formed to fruitfully achieve the aforementioned goals by the guidance of IQAC Coordinator, Katwa College Sir Utpal Das.

After the formation of Kisan Mitra Cell Committee, a meeting has been arranged among the active participation of committee members with the presence of our honorable principal Sir within college premises on 10.05.2019.

NOTICE
Kisan Mitra Cell Meeting

This is informed to all the Committee members of Kisan Mitra Cell, Katwa College that a meeting has been scheduled on 15.01.2019 to be held at the principal's chamber at 11.30 AM to discuss the following agenda:

1. Select the village in the surroundings of Katwa College to collect soil samples and interact with farmers.
2. Make a blueprint about the entire activities.
3. Discussion and distribution of the workloads.
4. Miscellaneous.

Principal.

Meeting No:

Date: 15.01.2019

Venue: Principal's Chamber, Katwa College

Time: 11.30 A.M.

Proceedings of the meeting/Resolution

With active participation of all the committee members and respected principal sir Dr. Nirmalendu Sarkar, Katwa College chairs the meeting. Apart from the Committee members the IQAC coordinator Mr. Utpal Das also present in the meeting. The Principal addresses all the members present at the meeting. Item-wise decisions on the agenda are as under:

Item-1: Select the village in the surroundings of Katwa College to collect soil samples and interact with farmers.

Resolution: Our committee members suggested a few names of surrounding villages, such as Jaghigram, Bandhra, Panuhat, Nutangram, Khajurdighi etc. to collect soil samples and known the villagers about such great initiatives. At the end of the discussion Khajurdihi village, very close to Katwa Municipality, was selected and confirmed unanimously.

Item-2: Make a blueprint about the entire activities.

Resolution: It is the very first meeting of Kisan Mitra Cell. To successfully complete the programme, it is segmented into two halves, first, **Soil Sample Collection** with guidance of teachers and departmental students soil samples are collected randomly plot by plot from selected areas and properly leveled with latitude and longitude reading. Then processed the collected samples and determined the Chemical properties. Such as Soil pH, organic Carbon, Soil macronutrients Nitrate Nitrogen, Ammonical Nitrogen, Potassium (K) and Phosphorus (P) etc. in college soil laboratory by Kit method. Second, **Awareness cum outreach in the Village**, the overall result of different soil properties are Expressed among the selected village. Also, represent the amelioration process of soil acidity and alkalinity, advantages of use of organic fertilizer, selection of appropriate plants or crops in various pH levels, optimum use of irrigated water, crop rotation, use of modern technology and apps to measures crop health and diagnosis of diseases and weather conditions also, that may help to create a sustainable agriculture system.

Item-3: Discussion and distribution of the workloads.

Resolution: The principal places the agendum for discuss, after thorough discussion it resolves unanimously as under:

Sl No.	Division of total programme	Entrusted the charge with
01	Soil sample collection	Mr.Toton Ghosh and Departmental students.
02	Processed and tested samples in laboratory	Mr. Toton Ghosh, Mr.Suwendu Pal and Mr. Biswajit Hansda.
03	Making report card of soil in selected plots	Mr.Suwendu Pal, Mr. Biswajit Hansda.
04	Use of plantix apps and maintain crop health	Mr Suwendu Pal and Departmental Students.

Item-4: Miscellaneous

Resolution:Convener of this committee requested the principal to make a banner about this great inspiration. It was also approved and granted unanimously.

NOTICE

Soil sample collection and Community based awareness programme at Khajurdihi to promote Sustainable Agriculture.

In reference to the decisions taken unanimously at the Kisan Mitra Cell Committee meeting dated 15.01.2019, and in view to reach the local farmers and collection of samples to know soil and crops health, our Kisan Mitra Cell committee, Katwa College is going to be organized a Soil sample collection and Community based awareness programme at nearby Khajurdihi village (Sheet No.1) on 28.01.2019 at 11.00 AM and 05/02/2019 at 12.00 noon. Said programme will be conducted in the guidance of Mr. Toton Ghosh, Mr. Suvendu Pal & faculty members of our college.

All the students of Geography, Botany, and Chemistry department are directed to contact the respective teachers regarding the aforementioned programme on or before 27.01.2019.

Kisan Mitra Cell Report

As per a decision taken by the meeting resolution on 15.09.2019, Kisan Mitra Cell committee conducted Soil Sample Collection and Community based awareness programme on 28.01.2019 and 05.02.2019. The Mouza located under Katwa police station, JL Number 28. Students of Semester V Honours of geography department participated in a one-day field visit to the nearby selected village (Khajurdihi) along with the teachers and staff. Students collected the soil sample from the spot with the help of Cadastral map & GPS location, then they analyzed soil sample in the laboratory, determined the NPK status, pH level, Organic Carbon and made a report card for selected plots. The result was offered to the farmer for their welfare and enrichment. Farmers also gained knowledge about modern technology and different apps that may be able to determine the crop diseases, deficiency of nutrients in plants and related solutions. Our respected teachers emphasized more use of bio-fertilizer, crop rotation among the cultivators. Below very few remedies are mentioned which may develop sustainable farming.

Soil Sample Plots, their Present condition and Chemical Properties, Khajurdihi, Katwa, Purba Bardhaman.

Soil reaction(pH) preference of crop plants.

Crops	Optimum range of pH
Paddy	4.0-6.0
Wheat	6.0-7.5
Maize	6.0-7.5
Potato	5.0-5.5
Sugarcane	5.0-6.5
Mustard Oil Seed	6.0-7.5
Jute	6.0-7.5
Peas	5.5-6.0

Dose of Limestone for different Soil Texture

Soil pH	Limestone used lbs per acre	
	Loam soil Texture	Clay loam soil Texture
5.0	1687	2625
5.2	1462	2275
5.4	1237	1923
5.6	1012	1575
5.8	787	1225
6.0	562	885
6.2	337	525

Impact of Soil Acidity, Reclamation of Acidity and Alkalinity

Effects of Acidity on Plants	Reclamation of Acidity	Reclamation of Alkalinity
*Toxic effects on plant root tissue, less branching and short in length.	*Addition of liming Materials, *Use of basic fertilizer such as Sodium Nitrate, Basic Slag etc., *Planted highly acid loving plant such as Potato, Paddy, Sweet Potato etc.	*Adequate Drainage

Nutrients and their Role in Plant Health

Nutrients	Deficiency Symptoms in Plants	Control of Deficiency
Nitrogen (N)	*Stunted plant growth, *Shedding of leaves and fruits *Lower leaves turn yellow	*Use of Nitrogen fertilizer and spray of Urea
Phosphorus (P)	*Leaves become smaller, *Stems and leaves are purple colour, *Stunted growth and delay maturity	*Application of Phosphatic fertilizer such as Superphosphate.
Potassium (K)	*Margin of leaves turn brown and dry, *Stunted growth.	*Use Potassic fertilizer in soil e.g. Muriate of Potash.

To
The Chairman,
Katwa Municipality
Katwa Purba Bardhaman, Pin - 713130

Sub: Prayer for necessary arrangement and conduction a Field Training on 'Solid Waste Management' to manage properly the solid wastes generated within the college campus (under MoU).

Sir,

I am glad to inform you that a special drive has been taken on environmental awareness and environmental pollution control by our college authority. For smooth conduction of said drive I am requesting you to take necessary arrangement and conduction a Field Training of 10 (Ten) NSS volunteers (mentioned below) on '**Solid Waste Management**' to manage properly the solid wastes generated within our college campus. The proposal of said field training will be considered under the MoU, among the two organisations, i.e. - Katwa College & Katwa Municipality signed on 15.04.2023.

I hope your kind confirmation for the proposal. A line of confirmation will be highly solicited.

Thanking you,
Sincerely yours,
NSGKWA 16/5/2024

Workshop on software (QGIS)

3 Days State level Workshop cum Hands on Training Programme on 'QGIS: an open-source GIS solution'

Date- 15/05/2023 – 17/05/2023

Time – 11am – 4pm

Organiser- Geography Department & IQAC of Katwa College in collaboration with IIARI (Integrated Institute for Advanced Research and Information).

Resource Person – Rahul Chakraborty, Director of IIARI

No of Participants - 46

Outcome of the Programme – Geography honours students of SEN IV & VI have participated in these three days' workshop. It has been done in collaboration with IIARI with which college have signed MoU & the outcome of which is these three days' workshop cum hands on training programme without any course/ registration fees. Resource person Rahul Chakraborty with his four assistants have trained the students very well. Geography students have future prospect in the field of GIS, not only for perusing their higher studies & research but also in getting job in various sectors. That's why we organised this hand on training programme in which total 46 students participate enthusiastically & they want more workshop like this as they said in the feedback form.

Digital Library Resources

The screenshot shows the Koha library management system interface for Katwa College Central Library. The header includes the Koha logo, navigation links for CART and LISTS, and user options for logging in, search history, and clearing. The main title is "KATWA COLLEGE CENTRAL LIBRARY ONLINE PUBLIC ACCESS CATALOGUE". A search bar is present with a dropdown menu set to "Library catalog" and a search button. Below the search bar are links for "ADVANCED SEARCH" and "AUTHORITY SEARCH". The main content area features a "Home" link, a "BRIEF HISTORY OF THE COLLEGE LIBRARY" section, and a "5 Laws of Library Science" section with a portrait of a man. A "RULES AND REGULATIONS" button is also visible.

The screenshot shows the N-LIST National Library and Information Services Infrastructure for Scholarly Content interface. The header includes the N-LIST logo and navigation links for College Admin Login, Licences and Fair Use, FAQs, Downloads, and Awareness Programme. The main title is "KATWA COLLEGE, KATWA, WEST BENGAL". Below the title are links for Home and Admin Dashboard. The dashboard area includes a sidebar with links for Dashboard, Users Details, Upload Bulk Users, Activate Bulk Users, Member Delete list, Usage Statistics, Invoice / Receipt, and Activity Log. The main content area displays "DASHBOARD" information for Katwa College, including address, website, AISHE Code, and GST No. It also shows user statistics: 307 Active Users, 57 Expired Users, 94 Pending Users, and 0 Delete Request. There are sections for Principal Details (Dr. Nirmalendu Sarkar), N-LIST College Admin Details (Subhajit Sanyal), and Technical Person Details (Sutanu Kumar Chandra).
