I. INTRODUCTION

History of the College:

During World War II, the apprehension of bombardment of Kolkata endangered exodus of people from the city Kolkata on an alarming scale as a result, the authorities of the big non-Government Colleges in Kolkata in a 'dispersal' scheme proposed off-shoots of those colleges in different parts of West Bengal, miles away from the capital of which Katwa was one. True to tell, the people of Katwa then squarely refused to accept the proposal of an offshoot college at Katwa but the truth was that the govt policy of dispersal scheme itself was enough to enthuse their minds an acclaimed social leader Late Jitendra Nath Maitra was the pioneer, and he was later joined by many distinguished personalities of the locality, notable among them were Prof P N Mukherjee, Prof S N Banerjee, Dr P N Bandyopadhyay, Prof S P Mukherjee, Dr Haramohan Sinha and the renowned Bengali poets like Kalidas Roy and Kumud Ranjan Mallick who threw their weight behind the establishment of a college at Katwa. Their sincere and indefatigable efforts took on a tangible form with the inauguration of the college on 16th August 1948.

To begin with the college was started as an intermediate college housed in Surya Narayan Memorial Hall of K D Institution with around 140-150 students. As a unique example of co-operation towards the growth of higher educational institution, the people of this locality then donated not less than Rs 32000/- (thirty-two thousand) the present currency valuation being at least ten times. Not only that the then Managing Committee of KDI donated to the college authorities a concrete building of four rooms and a portion of the school land which a part of the existing main building of the college was erected thereafter the college authorities made no mistake to take up the right measures at the right moment with the result that in 1959 the college achieved the status of a full-fledged undergraduate college along with its affiliation to the UGC as well as sanction of a building grant Rs 1,95,000/- there from. Withstanding the wear and tear of time and two devastating floods, the College now stands with towering glory to fulfill the mission and the vision of the organizers.

The College was initially affiliated to Calcutta University until Burdwan University was established on 16th June 1960. Its inclusion into 2(I) and 12(B) categories under UGC act 1956 took place in 1959 it now enjoys grant in aid financial status under govt of West Bengal besides the achievements of the statutory status the college has been untiringly and sincerely carrying

on its mission and maintaining a steady pace of progress in precept of advancement of learning the college by this time has increased its faculty strength to 58 full time teachers and 30 part time teachers the college sprawling over 10 acres of land consists of four adjunct campus the campus comprises the main building, Science building, Administrative building, canteen; two common rooms (boys and girls) Guest room, Laboratories, Garden, Post office, Bank and an Auditorium under construction. The main building houses the central library and the library for the morning section which altogether stocks more than 40 thousands books and journals. The second campus has housed the staff quarters, Principle's residence and the two girls' hostels, the third campus accommodating the boys hostel and the Superintendents quarter. The fourth campus which is approximately 300m away from the main campus, encloses a playground. With the capacity of its enrollment of 3960 the college now deserves to be considered as the second biggest affiliated college under Burdwan University. This shows that from the very humble beginning, the college has progressive evolved into a big undergraduate college, offering co-education and three-year under-graduate honours and general courses in Humanities Sciences and Commerce as well as one-year B-Ed courses.

Vision Of The Institute.

The vision of the College gradually changed with time, especially with spreading literacy mission all over West Bengal. The College tries to attract students from the minority community as far as possible. This is more important in the case of girls from the minority, who are admitted to the Morning section of the College which exclusively serves girls. The College endeavours to inculcate communal harmony among the learners by convening Saraswati puja as well as observing Navdiwas.

The College adopts an inclusive approach through expanding the scope of education to farther areas beyond the immediate rural belt surrounding the townships. Thus the College ventured to accommodate students from as many as the four districts, to acknowledge the collective aspiration of the prospective students from this rural belt for social identity. Simultaneously the College allows special assistance to the SC/ST and minority students. The rise in the numbers of the first generation learners became a salient feature in the rural belt mentioned earlier. This resulted in continual rise in the intake of students in the College. The College was doing its best to cater higher education to this increasing mass of aspiring students.

Mission Of The Institute

The mission of college is 'Advancement of Learning'- the method followed to achieve the supreme good for oneself. Here in this college, the goal is to serve the students, mostly as they are, coming from economically, socially, and educationally constrained circumstances by providing them quality education by:

(i) Exposing young minds to advanced scientific topics and imparting hands-on training with sophisticated analytical instruments.

(ii) To establish the college as a potential centre of research activities thus creating a strong tradition of deep-rooted academic culture and an ambience that favours the scholarly activities of the faculty.

(iii) Imparting a character-building education by a balanced development of the body (physical) and soul (spiritual) so that the students may turn out to be wise citizens able to shoulder the responsibility of the Nation.

(iv) Developing a culture of labour and service, focus and perseverance, simple living and high thinking is transmitted to the students who are the future of the nation. To provide quality education to the rural, socially and economically backward students (children of beedi workers and farm laborers) and to make them globally competent.

Preface

The Gender Audit is a deliberate endeavor to assess whether the college maintains a satisfactory gender balance. It scrutinizes the college's compliance with government regulations, policies, and initiatives aimed at enhancing the status of women in society. The primary objective of the Gender Audit is to gauge the influence of existing and proposed government policies on gender equality. This audit was initiated with the goal of identifying ways to enhance the safety of the college campus for female students and women. The findings were subsequently shared with college authorities to facilitate the implementation of suggested improvements. As part of the audit, we conducted an online survey using a Google form specifically designed for female students, faculty, and non-teaching staff to gather insights into gender-sensitive practices and facilities on campus.

Objectives of The Gender Audit.

1. Explore gender inequality issues within the college community and propose strategies for mitigating such disparities.
2. To suggest measures for bridging the gender gap.

CONCLUSION

In keeping with the changing trends of higher education and keeping in view the revised NAAC requirements the College has taken necessary steps for empowering the girl students to compete and succeed in all their educational ventures. A positive female ratio is observed in admission to various courses. The girl students have shown more interest in academics and various college co-curricular activities organized in and off the campus. The college has practiced Gender equity and created awareness of the same while benefiting the society.

1. It is concluded that 55% of female and 45% of male candidates are admitted during five years (2019-20 to 2023-24) which shows good gender balance in the college.
2. College has given admission to various students on merit basis and as per reserved category guidelines given by the government.
3. Overall 35% of faculty members are female and 65% are male which are present on the payroll of college.
4. Female students have represented in almost all cultural and sports committees. This is properly nurtured by the support and encouragement given by the college authority.
5. Various programmes arranged by Committee has helped students to inculcate confidence, self-employment, women empowerment and awareness of gender equality.

A gender audit of the college reveals that the college has numerous strengths as well as some drawbacks. The college has made several attempts to address its constraints. The data demonstrate that college plays an important role in maintaining student peace and discipline. It also takes initiatives to empower them socially, economically, and mentally. Although many programs are designed for both male and female students, some are designed exclusively for female students to boost their confidence and self-reliance. The college is making a significant contribution to gender justice and the development of a gender-sensitive society. It is critical for fostering harmony in both the college and the larger society.

Suggestions:

College has taken due precaution for giving equal opportunities male and female representation in all the curricular, co-curricular and extra-curricular activities of college. However, following suggestions are made for further improvements.

2. Considering 55% of female students and 35% of female teaching staff it is suggested to increase female teaching faculty and non-teaching staff in the college to maintain gender balance.

A workshop on "Self – Defence and Karate Workshop for Girls" was organised by IQAC, Katwa College in collaboration with JKA INDIA West Bengal.

Date & Time: 12.03.24 (9.30 A.M. to 3 P.M)

Venue: Katwa College, Mini Indoor Sports Complex

Trainer: Sensei Akash Hazra

Objective:

- To enable women to defend themselves against any type of physical assault.
- To build self-confidence so that they can contribute meaningfully to their own development, shape their own destiny & capacity enhancement through Self-defence training.

Outcome:

Even in this modern era, violence against girl students has become very common. So, it is very essential that girl students should practice the technique of self-defence which empowers them to fight against crime. With this very objective, Karate training is given to our girls by our Karate trainer Sensei Akash Hazra. All the equipment is provided for Karate training & the college has a very competent karate girls' team.

22.10.19

2.

A seminar on Awareness on "Breast Cancer" was organised by IQAC and Dept. of Physiology, Katwa College.
Date & Time: 22.10.19 (10 A.M.)
Resource Person: Dr Paresh Nath Banerjee

Objectives:

- *To educate the girl students about the importance of diagnosis of breast cancer at early stages when treatment is easier & outcome is better.
 - *Girl students are educated about the routine breast care & are advised to go to any health practitioner for consultation if they detect any lump of tissue in the breast.
 - *Girl students must be aware of the cervical cancer which is very much common to woman just like breast cancer but the cervical cancer is easy to detect in the early stage & is curable.
- Outcome:**
- * In this seminar, the main outcome was to raise awareness of the two very common cancers found among women.
 - *Students gained thorough knowledge about the common symptoms, preventive measures, causes, treatment & cure about the two deadly diseases commonly found in women.
 - * Students gained knowledge about the Pap smear test & HPV (Human Papilloma Virus) vaccine for teenage girls regarding the cervical cancer.
- No. of Participants: 25**
