Circulars & report of activities for the implementation of the initiatives documents under Institutional facilities

1. Alternate sources of energy & energy conservation measures

Policy for alternate sources of energy and energy conservation

Purpose:

This policy document on "Alternate sources of energy and energy conservation" describes the policies of Katwa College & provides guidelines for optimal & efficient usage of energy in the college premises promoting sustainability & responsibility towards society and environment.

Statement of Policy:

The policy of Katwa college is to promote responsible energy utilization, promoting sustainable development, by consciously adopting energy conserving practices. Katwa college will develop & adopt best practices to minimize wastage & over-consumption of energy. College is committed to compliance of all applicable laws & regulations. College will involve all the employees & other stakeholders in attaining excellence in practices leading to energy conservation & efficiency maximization.

Policy Objectives:

The long-term goals of Katwa College in adopting a Energy Conservation Policy are :

- To assess the energy usage and measure its impact on the environment
- To install photovoltaic solar panels for the generation of alternative energy

॥ विद्यया विन्दतेऽमृतम् ॥

- iii. To install LED bulbs in the entire campus to save energy
- iv. To take additional measures to continually optimize energy consumption
- v. To ensure availability of necessary resources to achieve the objective.
- vi. To adopt usage of advanced technology to minimize energy consumption
- vii. To encourage green initiatives promoting sustainable energy consumption
- viii. To collaborate with government agencies, and local organizations to work in the areas of energy conservation and sustainable development
- ix. To monitor and respond to emerging energy issues
- x. To percolate awareness among employees and students towards best practices promoting optimal energy utilization
- xi. To conduct energy audit periodically

Use of Alternate Sources of Energy :

- The college will promote use of alternate sources of energy such as Solar Energy and Biogas
- The college will procure and commission Solar Power Panels in its premises to meet the demands of electrical energy
- The college will wheel back to the suppliers grid any surplus power generated by Solar Panels
- Increase the use of LED Light

Policy Implementation by all stakeholders of College :

All employees and students of Katwa College shall comply with the following guidelines

Energy Conservation

- Use Natural Light when and where possible
- Turn off light, fans and air-conditioners when not in use
- Turn off Computers, speakers, projectors and all other electrical equipment at the end of every working day

॥ विद्यया विन्दतेऽमृतम् ॥

- Use power saving mode / sleep mode for computers when not in use
- Always set the Air Conditioner temperature at a comfortable level (preferably at 25°C for energy efficiency)
- Bring to the notice of faculties of Department malfunctioning of any equipment, switch, lights, fans and other appliances
- Participate actively in all awareness / promotional activities and events towards energy conservation
- Always use star-rated ISI certified electrical equipments

Policy Implementation by the Institution :

The Leadership of Katwa College shall comply with the following guidelines

Installation and procurement

- Procure and commission Solar Panels within the campus to tap solar energy for inhouse consumption
- Procure clean energy from electricity Supply from WBSEDCL to meet the energy needs of the campuses.
- Ensure that more than 50% of such energy procured is from renewable sources
- Installation of LED bulbs in all departments

Governance:

Energy Conservation

- Ensure proper maintenance of all electrical equipment, Water Equipment, STP, accessories and appliances
- Ensure that purchased equipment are environment friendly and / or meet efficiency standards set by the Bureau of Energy Efficiency (BEE)
- Proactively take up installing new equipment for saving energy and water wherever applicable. This includes but not limited to
 - Installing LED Bulbs in place of CFL / Fluorescent Bulbs,

- Installing sensor based energy conservation practices in all classrooms, laboratories, staff rooms, meeting rooms, toilets and other utility areas
- Installing sensor based taps in all toilets

- Conduct Switch-Off Drills every day at pre-determined intervals and maintain a log register of such drills. This will be conducted in all depts. in Campus
- Support renewable and carbon-neutral electricity options during any purchasing process
- To select a nodal officer for College to monitor strict compliance with advisory

Awareness

- Conduct awareness campaign on energy conservation, through lecture sessions, webinars, street plays and seminars

Conduct awareness program on sustainable development

Ref No: 304/Solar Energy/145 Date: 23.02.2024

To,
The Chairman
West Bengal Pollution Control Board
(Department of Environment, Govt. of west Bengal)

Sub: Installation of rooftop 10 KV/Photovoltaic Station in our college premises

Respected Sir,

We shall remain ever grateful if you kindly install 10 KV Photovoltaic Station for our college. This will help us to use green energy & fight the climate change. We shall provide 500 sq.m rooftop having bright sunlight for necessary work.

Hope your kind consideration in this regard and oblige.

Thanking You,
Yours faithfully,
Principal
Katwa College

Whereas

a. Katwa College, hereinafter referred to as KC, founded in 16.08.1948, co-educational college at Katwa aided by UGC & State Government and accredited by NAAC for the Second Cycle, offering BA/B.Sc/B.Com. in Arts/Science/Commerce & B.Ed. under the University of Burdwan.

Whereas

a. Katwa Municipality, hereinafter referred to as KM, founded in 01.04.1969 is a municipality governed according to the act of West Bengal Municipal Act. It provides the best Municipal Service to the citizens of this Municipal Area and committed as ever to achieve its mission.

b. KC is desirous to associate with KM on various areas as discussed in the purview of this MoU, which will be mutually beneficial to both the institutions.

That, relying on the principle of good faith, by virtue of which they will carry out all the possible actions for their due fulfillment, and also relying on their common bonds and concerns, they state their interest in strengthening their relationships through academic cooperation, and to this end they are of one accord in entering this MoU.

THEREFORE, THIS MEMORANDUM OF UNDERSTANDING WITNESSES AS FOLLOWS:

1. SCOPE & OBJECTIVE OF THE MOU

Both parties agree that the objective of the present MoU is to establish cooperation in order to collaborate towards career development of students, promotion of academics and research in different areas of interest.

2. METHOD FOR ACHIEVING THE OBJECTIVES

In order to achieve the aforementioned objectives, the parties, in mutual agreement, shall develop academic programmes and projects that will specify the commitments, each of them is to make for the performance of the said programmes.

3. AREAS OF COOPERATION:

Whereas, KC and KM recognize that the academic collaboration would be of mutual benefit and would provide strengths in research and education and their mutual interest in engaging themselves in academic cooperation. Following the purpose of the said agreement, the two parties shall engage in the activities stated below:

1. Dispatching and management of Solid wastes (Biodegradable and Non-Biodegradable) generated in college campus disposed off by the Municipality's logistics on a daily basis.
2. Overall college campus cleaning and beautification.
3. Bio-medical waste management.
4. Faculty development for scholarly pursuits.
5. Student Development Programmes.
6. Games & Sports, Social and cultural programmes.
7. Training and capacity building activities as well as internship activities.
8. Collaborations for Seminars/Webinars/Workshops.
9. Extension Activities with focus on education & environment.
10. Social action (community development).
11. Sharing of Infrastructure.
12. Sharing of Health Center facilities.

4. FUNDING

a. Expenses for maintaining infrastructure shall be borne by the respective institutions. The transportation and personal expenses of exchanging students, teachers or officers shall be covered by respective individuals/ Institutions.

b. Financial expenses for internship of professors and researchers, which will be arranged at the parties' request, as well as travel expenses, shall be covered by the requesting institution/s. No fees will be paid, to the professors/researchers as they remain in their positions at their home institution, which will continue to pay their salaries.

5. NO EMPLOYMENT RELATIONSHIP

The parties agree that this Agreement shall not be construed in any manner as establishing any kind of partnership or bond of labour between them. Thus, in all activities stemming from the present MoU and from subsequent specific action plans, the parties are in the understanding that, in all cases, employment relationships shall remain in force between the employing institution and its respective personnel.

6. ACCREDITATION/ CERTIFICATION

The institution shall issue certification recognizing the achievements of the students, on the basis of hours invested on projects/papers and successful completion of Add-On Courses of the enrolled students.

7. AUTONOMY

This agreement is a statement of intentions and does not involve, in any instance whatsoever, any financial obligations between the participating institutions.

8. TERM

a. This MOU shall be effective for a period of five (5) years from the date of execution of this agreement, and shall be automatically renewed thereafter for another five (5) years unless a written notice to terminate or amend this agreement is given to the other party, six(6) months in advance.

b. It is expressly agreed that neither party shall be liable for damages that they might cause each other as a result of a forceful suspension of a collaboration program. Causes for forceful suspension must be explicitly set forth in the action plans.

9. CONFLICT RESOLUTION

Any dispute resulting from the interpretation or application of this Agreement shall be settled through direct negotiation and common agreement by the persons delegated to such end by each institution. Either party may propose to the other a modification of the Agreement at any time in writing.

10. CONFIDENTIALITY

Each of the parties accepts and declares that every information from the other party is of confidential nature and is the exclusive property of the latter and has been or will be disclosed to the former solely with the purpose of enabling the full accomplishment of the present Agreement. For this reason, every piece of information provided by one party to the other before signing this Agreement and/or during its performance must be kept confidential and therefore should not be disclosed to any third party.

TO WHOM IT MAY CONCERN

Completion Certificate of Students of "Field Training Programme" under MoU

This is to certify that following students of three NSS units of Katwa College have completed the "Field Training on 'Solid Waste Management' to manage properly the solid wastes generated within the college campus" on and from 30.05.2024 to 08.06.2024 successfully, at the Solid Waste Management Department of our office i.e. - Katwa Municipality, Katwa, Purba Bardhaman. The programme has been conducted under the MoU signed on 15.04.2023 between Katwa Municipality, Katwa, Purba Bardhaman and Katwa College, Katwa, Purba Bardhaman.

I wish them success in life.

Chairman
Katwa Municipality.

3. Water Conservation

Policy for Water Conservation

Preamble:

Scarcity of water is one of the growing concerns of the whole world at present time, the ultimate solution, is water conservation. Issues related to water governance have not been addressed adequately. Mismanagement of water resources has led to a critical situation in many parts of the country. In this context, our institute Katwa College is committed to rain water harvesting & sustainable water management.

Katwa College has taken several initiatives to conserve water such as rain water harvesting from rooftop run off & ground water recharge through injection well, bore well recharge system & maintenance of water distribution system in the college campus etc. So, institute make a policy for water conservation & sustainable maintenance of resources.

Vision:

Proper Water conservation measures to increase the recharge of groundwater. Katwa college views water from the Three inter-related dimensions of Efficient conservation, Responsible consumption & Restoring & retaining surface & ground water.

Objectives:

- To increase recharge of groundwater by capturing & storing rainwater by rainwater harvesting from rooftop & run-off.
- To store the rainwater for gardening & washing purposes.
- To ensure continuous water supply to all sections & depts. In college campus.

॥ विद्यया विन्दतेऽमृतम् ॥

- To recharge bore well system.
- Soak pits to treat effluents from laboratories.
- Cleanliness drive to prevent water runoffs & clogging of waste materials into nearby water resources.

Facilities available in the college:

1. Rain water harvesting & construction of tank:

There are two main ways of rain water harvesting are:

*Surface run off harvesting:

In urban area, rain water flows away as surface runoff can be used recharging aquifers.

*Rooftop rain water harvesting:

It is a system of catching rain water where it falls. The water stored by this way is used for various purposes such as gardening, irrigation etc.

The Katwa College had started initiatives for rain water harvesting from the month of May in the year of 2023 & constructed rain water harvesting project which is the collection of rain water that runs off from rooftop & this run off rainwater is recharged into the ground water table & a storage tank with rain water to be used in gardening, irrigation etc. College has set up rain water harvesting (ground water recharge circular shaped trough injection well) with the technical assistance of Public Works Dept. (PWD), Social Sector Purba Bardhaman, W.B. at the cost of Rs. 9,43,167.00.

2. Bore well/ Open well recharge:

Katwa College has proper facilities of bore well for providing clean water in the college campus. There are 7 submersible pumps for supplying fresh & clean drinking water & also for other activities.

Mobile: +918101078393

॥ विद्यया विन्दतेऽमृतम् ॥

3. Waste water recycling:

The college has also made proper arrangement for recycling/ reuse of most of the waste water. Aqua guards placed in the different floors of the college building are purifying impure water stored in the rooftop water tanks & this water is used for drinking, washing, cleaning & watering in the garden.

4. Maintenance of water distribution system in the college campus.

Water distribution system is disinfected on a regular basis in a scientific manner to provide clean & germ free water throughout the campus.

Benefit of the work:

- * Reducing water loss & saving natural water resources.
- * Conserve water, helps in reducing water bill.
- * Decreasing the demand of water.

Water conservation measures:

Katwa College will implement the following measures to conserve water:

A. Maintenance & infrastructure:

- * Regularly inspect & repair plumbing fixtures, pipe lines to minimize leaks & wastage.
- * Install water-efficient fixtures, such as low-flow toilets & faucets.
- * Utilize rainwater harvesting systems.

B. Awareness & Education:

* Conduct awareness campaigns, workshops & seminar to educate all the stakeholders of the college as well as outside of the campus of the college about water conservation practices.

* Display signage & posters reminding individuals to conserve water in common areas & outdoor spaces of the college campus.

* Incorporate water conservation topics into the curriculum where applicable.

* Subdivision of Katwa & its surrounding areas are arsenic prone. So college will take the pledge to combat against eradication of arsenic.

Responsibilities:

A: College administration:

* The college administration will oversee the implementation & enforcement of the water conservation policy.

-* Appoint a designated staff member to monitor & manage water usage & conservation efforts.

* Provide necessary resources & support to facilitate water conservation initiatives.

B. Faculty & staff:

* Faculty & staff members are responsible for practising water-saving behaviours & encouraging students to do the same.

* Report any water leaks, faults or wastage promptly to the designated staff member or facilities management team.

C. Students:

* Students are expected to actively participate in water conservation efforts & adopt responsible water usage practices.

* Promote awareness among peers about the importance of water conservation.

Katwa College will establish a monitoring & evaluation system to assess the effectiveness of water conservation measures & make necessary adjustments. This includes:

- * Regular monitoring of water consumption & identifying areas of high usage.
- * Tackling water –related complaints, repairs, & maintenance activities.
- * Periodic reviews of the policy's implementation & identifying opportunities for Improvement.

Procedure:

- * Obtain an approval status from the governing body for implementation of the policy.
- * Communicate the objectives of the policy & action plan to all stakeholders of the college.
- * Maintenance of water distribution system in the campus through nature club of the college.

Orientation Programme on "Observation of World Water Day"

Type of the activity: Orientation/ Awareness programme.

Organizing body: Katwa College IQAC & GO-GREEN Committee.

Date & Time: 22.03.2024 [Time: 11A.M.].

Venue: Room no. 107

Speaker: Prof. Chitrita Mondal.

No. of Participants:

100 Students.

Objectives:

Since 1993, it has been celebrated on March 22 to highlight the importance of freshwater. According to the UN, around 2.2 billion people are living without access to safe water. The day focuses on taking action to tackle the global water crisis.

World Water Day focuses on the crucial connection between water cooperation & global harmony. It highlights attention on the importance of water & how to preserve it. As we know that water is essential for life, without water we cannot survive. Up to 60% of the human adult body is water. All plants & animals need water to survive. If there is no water, there would be no life on earth.

As per NITI Aayog, about 70% of India's surface water resources are polluted, while around 2 lakh habitations face serious health risks.

On World Water Day, let's join hands for sustainable conservation practices & minimise waste in the interest of our present & the future.

Outcome:

Students, teachers & other staff members pledged on 22nd March, 24 that they will participate in water conservation efforts & adopt responsible water usage practices. They also promised on that day they will encourage common public to do the same.

Orientation Programme on "Observation of World Water Day"

Type of the activity: Orientation/ Awareness programme.

Organizing body: Katwa College IQAC & GO-GREEN Committee.

Date & Time: 22.03.2023 [Time: 11A.M.].

Venue: Room no. 101

Speaker: Prof. Tarashankar Chatterjee

No. of Participants:

73 Students.

Objectives:

Since 1993, it has been celebrated on March 22 to highlight the importance of freshwater. According to the UN, around 2.2 billion people are living without access to safe water. The day focuses on taking action to tackle the global water crisis.

World Water Day focuses on the crucial connection between water cooperation & global harmony. It highlights attention on the importance of water & how to preserve it. As we know that water is essential for life, without water we cannot survive. Up to 60% of the human adult body is water. All plants & animals need water to survive. If there is no water, there would be no life on earth.

As per NITI Aayog, about 70% of India's surface water resources are polluted, while around 2 lakh habitations face serious health risks.

On World Water Day, let's join hands for sustainable conservation practices & minimise waste in the interest of our present & the future.

Outcome:

Through this programme, students became aware of the present situation of water crisis which is prevalent all over the world. As a responsible citizen, now they will try their best to conserve water & encourage common public to do the same.

Orientation Programme on "Observation of World Water Day"

Type of the activity: Orientation/ Awareness programme.

Organizing body: Katwa College IQAC & GO-GREEN Committee.

Date & Time: 22.03.2022 [Time: 11A.M.].

Venue: Room no. 107

Speaker: Prof. Rabiranjana Sen.

No. of Participants:

90 Students.

Objectives:

Since 1993, it has been celebrated on March 22 to highlight the importance of freshwater. According to the UN, around 2.2 billion people are living without access to safe water. The day focuses on taking action to tackle the global water crisis.

World Water Day focuses on the crucial connection between water cooperation & global harmony. It highlights attention on the importance of water & how to preserve it. As we know that water is essential for life, without water we cannot survive. Up to 60% of the human adult body is water. All plants & animals need water to survive. If there is no water, there would be no life on earth.

As per NITI Aayog, about 70% of India's surface water resources are polluted, while around 2 lakh habitations face serious health risks.

On World Water Day, let's join hands for sustainable conservation practices & minimise waste in the interest of our present & the future.

Outcome:

The main outcome of this programme is to create consciousness among every citizen about serious crisis of water specially drinking water crisis in the world. So, it is an obligatory duty of every person to prevent any misuse of drinking water.

Outcome of the Programme:

- The keynote speaker addressed about the alarming disappearance of rivers across the entire Purba Bardhaman district, attributing it to irresponsible human activities.
- Knowledge about Microplastics.
- Encourage SHG (Self Help Groups) to adopt organic farming.
- Students became mindful about the use of plastics.
- Municipality authority suggested to segregate waste before disposing off.

Outcome of the Programme:

- Use of single use plastic in hostel and college campus banned w.e.f 21.03.24
- Banners bearing the slogan "Plastic free campus" were placed on various places such as College campus, Boys hostel, Girl's hostel and Staff quarters.
- Active participation of students, teachers and other stake holders in campus cleaning.
- Strict guidance was given to students to not bring water in single use plastic bottles.
- Awareness was created among the public about the adverse effects of single use plastic usage and to encourage them to stop or minimize its use.
- Camp facilitated active participation from various departments, clubs (IQAC, NSS, NCC), and hostel residents fostering a sense of community responsibility towards environmental stewardship.

Notice

Date: - 21.03.2024

Single-use plastic products (SUPs) are used once, or for a short period of time, before being thrown away. These items are things like plastic bags, straws, coffee stirrers, soda and water bottles and most food packaging. Up to 50% of plastics that we use are single-use. The impact of this plastic waste on the environment and our health are global and can be drastic. It is also being found that college campuses are often the source of enormous amount of plastic pollution. So, it is becoming a key responsibility of every staff & students not just to "Say No to Plastic" but also to create awareness among the community as whole to stop this pollution & leave behind a green & pollution free place for our future generation.

With the goal to make our college a plastic free campus, awareness banners will be displayed at different locations of our college. Concerning the fact, all faculties, staff, students are hereby informed that the use of single use plastic in Canteen, hostels and college campus will be **banned from 21.03.2024**.

Followings should be maintained strictly:-

- single use plastic water bottles for in-house meetings, events & in canteen;
- plastic materials used for decorations at the events;
- Plastic carry bag less than 120 microns thickness;
- Plastic cutlery, straw, cup, plates etc.;

All are requested to be a part of the awareness campaign.

Notice

We are pleased to announce a "Tree Plantation Programme" at Katwa College campus on June 5, 2024 at 11 A.M. to commemorate World Environment Day. This initiative aims to enhance our campus environment and increase green cover of our campus. We invite all students and stakeholders of Katwa College to participate actively in this event.

Your presence and participation are highly valued as we strive to contribute positively to our environment's sustainability. Let's join hands to make our campus greener and more eco-friendly.

Date of the Programme, Venue & Time:

Date: 05.06.24

Venue: College Campus

Time: 11:00 A.M.

Organizing Committee:

Katwa College Nature Club, NSS and NCC

No of Participants:

25 (Teachers-5, Students-20)

Outcome of the Programme:

- Many students, teachers and non-teaching staff planted thirty trees on celebrating world environment day.
- The event made our college greener and taught us to care for nature.
- Students and others felt united and joyfull to help our environment.
- We learn why tree plantation is important and how it helps our planet.
- We plan more event like this to keep our campus green and clean.

To,
The Chairman
West Bengal Pollution Control Board
(Department of Environment, Govt. of west Bengal)

Sub: Installation of Air Quality and Noise Monitoring Sensor in our college premises

Respected Sir,

This college authority will remain ever grateful if you kindly install an above noted station within our college campus. This may be added with a display board. The data, generated in future would be used by our teachers and students for research purposes.

I assure that necessary space & electricity will be provided by the college authority. An early action from your end will be appreciated

Thanking You,

Yours faithfully

NOTICE

An esteemed initiative has been taken by the college authority under the supervision of the principal of the college, a sub committee for ease and betterment of differently abled students of college has been formed named, "Committee for Differently Abled Students (CDAS)". This committee comes up with focused and definite objectives for the betterment of differently abled students.

Members of the sub committee are as follows:

Dr. Nirmalendu Sarkar (President)
Dr. Arkapratim Changdar (Convenor)
Md Sariful Islam (TC Katwa College)
Arijit Jas (GS)
NTS GB Member
Boys' Hostel Superintendent
Girls' Hostel Superintendent
Mr. Suraj Sarkar
Mr. Tanmoy Bag

OBJECTIVES OF THE COMMITTEE:

1. To curate a barrier free campus for differently abled students so that they can move freely
2. To equip all possible facilities conducive for creating disabled friendly campus.

COMMITTEE FOR DIFFERENTLY ABLED STUDENTS (CDAS)

NOTICE

A meeting on behalf of Committee for Differently Abled Students, Katwa College, will be held on 07.06.2024 at Principal's Chamber to discuss over some provisions crucial for disabled students in the campus, comprising mainly as follows:

1. Granting permission to disabled students for using their personal assisting devices or staff like walkers, wheelchairs, talkback devices, crutches, hearing aids, braille stamps for signature etc inside college premises.
2. Inclusion of a section in college brochure, describing the facilities available for differently abled students in campus with suitable pictures as well.
3. Providing study materials and training resources in accessible formats to disabled students which they can get anytime from an Open Access Server specially curated for them.
4. Parents-Teacher meeting/counselling needs to be arranged time to time for sharing student feedbacks.
