To Whom It May Concern

I express my sincere appreciation and gratitude to the entire team members of NSS units & its Programme Officers of Katwa College for their outstanding work in the AIDS Awareness Camp held on 08.03.2020. Their dedication, commitment and efforts in raising awareness on such crucial issue is highly commendable and truly inspiring.

The AIDS Awareness Camp serves to be an important platform for educating the community members regarding the causes, consequences, transmission, prevention and treatment of such non-curable sexually transmitted disease like HIV/AIDS along with the identification of high alert & high risk areas. The initiative taken to organize informative and interactive sessions and awareness drives effectively disseminated vital information to students and members of the local community, making them aware of the consequences of unsafe sex helping them take better decisions and precautions to save their health and well-being.

On behalf of Katwa Municipality, Purba Bardhaman I extend my vote of thanks to the NSS Programme Officers and the volunteers of Katwa College for their tireless endeavour to make the event a success and thus help the society. Their dedication to service and social responsibility portrays their contribution in making the society a better place to live.

Thank you once again for your dedication & social service.  
With regards.

Memo. No. K.G.P./152/2019 Date 18.08.2019

**To Whom It May Concern**

I express my sincere appreciation and gratitude to the team members of NSS units & all its Programme Officers of Katwa College for their exemplary efforts for organizing and executing a successful tree plantation programme nearby adopted villages of Panchanantala, Ramkrishnapur and Banagram, Purba Bardwan under Karajgram Gram Panchayat.

The Tree plantation Day was observed and arranged by the team of NSS units on 18.08.2019 that showcased a remarkable commitment towards environment and community as a whole. The NSS teams demonstrated the importance of preserving our natural resources from depletion, the growing pollution and its impact on the flora and fauna, the need of afforestation and reforestation for a sustainable environment of our future generations.

The initiative was not only to enhance the scenic beauty of our surroundings but also played a significant role mitigating the adverse effects of climate change on the biosphere. Through active participation of the local people where we received a huge response; NSS Katwa College fostered a sense of ownership and responsibility towards our environment.

Furthermore I was particularly impressed by the enthusiasm and passion exhibited by the team members throughout the tree plantation drive. Their unwavering dedication to make the cause a success shows the team spirit for any positive change in our society.

On behalf of KarajGram Gram Panchayat, Karajgram, Purba Bardwan, I extend my heartfelt appreciation to the NSS Programme Officers and the volunteers of NSS units of Katwa College for their valuable contribution to this important cause.
